

Over the next twenty years, the apostles obeyed Jesus' command to go out to all the world and spread the Good News.

Early Christians also came to reflect their beliefs about Jesus in public worship, or the *liturgy*. Celebration of the Eucharist came to be the focal point of the early Church's worship.

Good News In The Early Church:

Evangelism in the Early Church Michael Green, 2023-09-28 Now a modern classic Michael Green's *Evangelism in the Early Church* shows how the first Christians worked to spread the good news to the rest of the world. Studying the New Testament and church fathers, Green explores the earliest methods, motives, and strategies of spreading the good news. He also considers the obstacles to evangelism using outreach to Gentiles and to Jews as examples of differing contexts for proclamation. Thoroughly informed by primary sources, this book will help contemporary readers learn from the past and renew their own evangelistic vision.

Is the Gospel Good News? Stanley E. Porter, Hughson T. Ong, 2019-05-02 Is the Gospel Good News was the theme of the 2015 H. H. Bingham Colloquium at McMaster Divinity College in Hamilton, Ontario, Canada, held on June 4-5. The fourteen participants in this colloquium presented their own individual perspectives on the theme from three broad vantage points: Bible, theology, and crucial topics. The good news that Jesus proclaimed concerning the kingdom of God became the gospel proclaimed by his followers throughout church history. This gospel is about the coming of Jesus Christ in fulfillment of God's will for humanity. This volume presents some accounts of how this good news has been understood through the ages and continues to be understood in relation to some of the major topics and issues of our contemporary world. The papers in the Bible section discuss this good news from both Old and New Testament passages and themes. The papers in the Theology section address theological topics in light of the question of what constitutes the good news. Finally, the papers in the Crucial Topics section explore new and different perspectives on ways in which the gospel is good news. This volume highlights diverse perspectives and proposals by scholars from various locations in different stages of their academic careers, resulting in a stimulating discussion of the topic of the gospel as good news.

The Good News About Hard Times Jonathan H. Wilson, 2015-08-21 James, our life coach. James, the brother of Jesus, was not a believer until after the Resurrection. Then his whole life changed. He was made the leader of the early church. We often think of the great apostle Paul as the greatest leader in the early church, but whose counsel did Paul seek when he had to make a crucial decision three times? Was it not James whose counsel he sought? James was Paul's life coach, and by reading and studying the sacred and inspired writings of James, he can then become our life coach.

Good News from the Barrio Harold Joseph Recinos, In a world divided by race, ethnicity, gender, violence, and hate, Harold Recinos's *Good News from the Barrio* explores the ways in which the good news of the gospel is at work in Latino barrios. He challenges Christians to listen to the gospel in these contexts and offer a prophetic witness to the nation and the church.

Simply Good News Tom Wright, 2015-03-19 The Gospel means good news, but what makes it news? If the message has been around for 2,000 years, what could possibly be newsworthy about it? And what makes it good? Surely not the stories we hear of damnation, violence, and an angry God. Tom Wright believes many Christians have lost sight of what the good news of the gospel really is. In *Simply Good News*, he shows how a first-century audience would have received the gospel message, what the good news

means for us today and how it can transform our lives **Beginning the Good News** Francis J. Moloney SDB,2006-12-01

Beginning the Good News Francis Moloney provides a narrative critical reading of Mark 1 1 13 Matthew 1 2 Luke 1 2 and John 1 1 18 to illustrate that the readings of the Gospels set up a tension in the reader who learns from the beginning but still cannot rest satisfied The Gospels beginnings promise the reader the great prize of understanding later *Good News* ,1868

Good News and Good Works Ronald J. Sider,1999-03-01 Concerned to promote an authentic biblical faith this book suggests ways to combine evangelism with social action for effective witness in today s world **Good News** George Clint Robinson,2009-12

The Good News Paradigm J.C. Ward,2017-09-12 Most Christians have some degree of familiarity with the Gospels according to Matthew Mark Luke and John Fewer Christians have the same familiarity with the gospel according to Jesus This gospel is something Jesus taught using figurative language such as parables and metaphors This study examines the figurative parables phrases and words that are attributed to Jesus and His disciples As an example Matthew records that Jesus emphatically states Do not think that I came to bring peace to the earth I did not come to bring peace but a sword Matt 10 34 This statement alone appears to contradict with what most Christians believe a peace loving Jesus represents What is the gospel or good news that Jesus taught What is the figurative meaning of words such as sword leprosy and water for example Did Jesus raise people from the dead back to a physical life Did Jesus feed thousands with a few loaves of bread Is there a figurative understanding to the miracle parables Did Jesus confirm that sin is original What did Jesus say about His return These and other Biblical questions are addressed and explained by Jesus and presented in this study for the reader s contemplation This book is a must read for the sincere Christian who wants to gain a deeper understanding and appreciation of who Jesus was and what He taught *The Joy of Universal Salvation: The Really Good News of Universal Reconciliation* Daniel Payne,2025-03-04 In the diverse tapestry of Christian thought one thread that has intrigued theologians clergy and believers alike is the concept of Christian Universalism It s the belief that ultimate reconciliation awaits every soul irrespective of their actions or beliefs in this earthly life At its core it pronounces the redemptive love of God for all through Christ This book will delve deeper into this fascinating belief system its historical development scriptural underpinning and modern interpretations We ll also explore its implications and contemporary relevance Immerse yourself in the depth of Christian Universalism a compelling branch of Christian theology also referred to as Universal Reconciliation It presents an alternative to the commonly held belief in Christian circles that eternal salvation only awaits those who consciously commit to following Christ in their earthly existence It dares to dream bigger postulating that the outpouring of God s mercy and grace is so immense so overwhelming that no soul will be left adrift in eternal separation Imagine the profound beauty of such a scenario every single soul embraced in the divine love of God sharing in an everlasting life with Christ This is the heart and soul of Christian Universalism a perspective that dares to envision a God whose love is so powerful and all encompassing that none can resist it forever Good News from a Far Country: the

DeVolld, 2006-12 In Defense of the Faithful The Scriptural Truth of Catholicism was written as an aggressive defense of the Catholic Faith It explores the foundations and historic origins of Catholic doctrine from an evangelical fundamentalist and reformed Protestant point of

view It offers the teachings of the Church in common language then defends the position with scriptural quotations from throughout the Holy Bible It then quotes the Catechism formal teaching doctrine of the Catholic Church offering a factual presentation of what the Church actually teaches rather than what many people think it teaches In doing so it is critical not only of Protestantism but some aspects of Catholicism in practice as well It credits and praises both groups of Christians as being believers dedicated to Jesus and the Trinity while pointing out the mutual failures of both groups It is a thought provoking examination of Catholic doctrine practice theology and ethics from a biblical viewpoint and is not afraid to point fingers at all parties involved in greater Christianity The Community of the King Howard A. Snyder,2010-01-28 Howard A Snyder probes the relationship between the kingdom of God and our daily experience of the church **Good News to the Poor** Tim Chester,2013 The chasm between evangelism and social action needs to be bridged Chester convincingly argues that the truth of the gospel is best understood and embraced in the context of loving action and gospel centered community
