**Cast Your Bread** Warren Ravenscroft,2016-08-22 As this is the fourth book in the series Cast Your Bread the author has once again under the guidance of the Holy Spirit brought significant detail to the devotions and Bible studies shared in this edition Again it is easy to read the material with a depth of insight for those who choose to mine the depths of Gods Word While the devotional talks take you on some wide and varied subjects all relevant Bible references have been given to make these articles easy to follow and to be able to readily find and follow through the messages given and shared As you delve more into the Word of God seeking understanding the astute student will be rewarded with much insight about truth and as we know it is only the truth that sets us free The Bible studies are exactly that with in depth teaching that will probably require more than one sitting to fully comprehend the extensive work contained within these pages Where possible the author has blended several accounts of the gospels so the full and true picture can be gained The last section has been gleaned from the authors experience with the preparation of interesting Bible talks and messages to congregations who come under the ministry of the person who shares the truth of the Bible As you read and study all the pages contained within these covers may you be enriched beyond measure as you uncover the spiritual gems hidden in the mine of Gods Holy Word
