Carroll, Michael Nash, Melvin Small, 2006-10 Written with passion and intelligence the letters of the Abraham Lincoln Brigade in World War II express the raw idealism of anti fascist soldiers who experienced the war in boot camps cockpits and foxholes but never lost sight of the great global issues at stake When the United States entered World War II on December 7 1941 only one group of American soldiers had already confronted the fascist enemy on the battlefield the U S veterans of the Lincoln Brigade a volunteer army of about 2 800 men and women who had enlisted to defend the Spanish Republic from military rebels during the Spanish Civil War 1936 1939 They fought on the losing side After Pearl Harbor Lincoln Brigade veterans enthusiastically joined the U S Army welcoming this second chance to fight against fascism However the Lincoln recruits soon encountered suspicious military leaders who questioned their patriotism and denied them promotions and overseas assignments foreshadowing the political persecution of the postwar Red Scare African American veterans who fought in fully integrated units in Spain faced second class treatment in America s Jim Crow army Nevertheless the Lincolns

served with distinction in every theater of the war and won a disproportionate number of medals for courage dedication and sacrifice The 154 letters in this volume selected from thousands held in the Abraham Lincoln Brigade Archives at NYU s Tamiment Library provide a new and unique perspective on aspects of World War II *Good Fight* Peter Beinart,2013-06-18

More than six years after the September 11 attacks the close friendship forged between George W Bush and John Howard remains But in their nations more broadly the common purpose has withered drained by the sense that both men have failed the moral and intellectual challenges of that day In this powerful and provocative book Peter Beinart offers a new liberal vision based on principles liberals too often forget that America s greatness cannot simply be asserted it must be proved That American leadership is not American empire And that liberalism cannot merely define itself against the right but must fervently oppose the totalitarianism that stalks the Islamic world today Peter Beinart s *The Good Fight* is a passionate rejoinder to the conservatives who have ruled Washington since 9 11 Beinart argues that America can again embrace the creed that brought it greatness in the past but only if liberals remember that democracy begins at home Above all it is a call for liberals to revive the spirit that once swept America and inspired the world **Fight the Good Fight** Kerry Pharr,2007-04

Devout Christian and professional boxing manager PHA shares his tale of personal redemption He explains how a self described juvenile delinquent turned himself into a dedicated Christian even in the seedy world of professional boxing Christian *Fight the Good Fight* Jay W. Richards,James Robinson,2024-02-13

Hard choices lie ahead Christians The bestselling team of James Robison and Jay Richards show what s at stake in our post Christian society how to prepare and why we must never forget that the battle above all is spiritual Our rulers have kicked aside our Constitution and common sense They have demonized our heroes Now they re trying to erase the difference between male and female All while running up unimaginable and catastrophic debt What s left for Christians in such a society where dissent invites ruinous retribution Should they retreat Fight back Something else God is not finished with us as a nation but if we re going to get off the road to ruin we must do more than slow down and conserve whatever good remains We must repent That means a hard 180 degree turn and fast If we ll pray think straight persuade other lovers of truth to join us and fight together wise as serpents and innocent as doves then there s still hope **The Good Fight** Walter Mondale,2010-10-05

Former vice president Walter Mondale makes a passionate timely argument for American liberalism in this revealing and momentous political memoir For more than five decades in public life Walter Mondale played a leading role in America s movement for social change in civil rights environmentalism consumer protection and women s rights and helped to forge the modern Democratic Party In *The Good Fight* Mondale traces his evolution from a young Minnesota attorney general whose mentor was Senator Hubert H Humphrey into a U S senator himself He was instrumental in pushing President Johnson s Great Society legislation through Congress and battled for housing equality against poverty and discrimination and for more oversight of the FBI and CIA Mondale s years as a senator spanned the national turmoil of the Nixon administration its ultimate self destruction in the

Watergate scandal would change the course of his own political fortunes Chosen as running mate for Jimmy Carter s successful 1976 campaign Mondale served as vice president for four years With an office in the White House he invented the modern vice presidency his inside look at the Carter administration will fascinate students of American history as he recalls how he and Carter confronted the energy crisis the Iran hostage crisis the Soviet invasion of Afghanistan and other crucial events many of which reverberate to the present day Carter s loss to Ronald Reagan in the 1980 election set the stage for Mondale s own campaign against Reagan in 1984 when he ran with Geraldine Ferraro the first woman on a major party ticket this progressive decision would forever change the dynamic of presidential elections With the 1992 election of President Clinton Mondale was named ambassador to Japan His intriguing memoir ends with his frank assessment of the Bush Cheney administration and the first two years of the presidency of Barack Obama Just as indispensably he charts the evolution of Democratic liberalism from John F Kennedy to Clinton to Obama while spelling out the principles required to restore the United States as a model of progressive government The Good Fight is replete with Mondale s accounts of the many American political heavyweights he encountered as either an ally or as an opponent including JFK Johnson Humphrey Nixon Senator Edward M Kennedy the Reverend Jesse Jackson Senator Gary Hart Reagan Clinton and many others Eloquent and engaging The Good Fight illuminates Mondale s philosophies on opportunity governmental accountability decency in politics and constitutional democracy while chronicling the evolution of a man and the country in which he was lucky enough to live

The Good Fight Harry Reid, Mark Warren, 2008-05-01 After a childhood of shocking poverty Harry Reid completed law school working as a policeman to pay his way He faced death threats as the head of the Nevada Gaming Commission trying to clean up Las Vegas Eventually he rose to become Senate Majority Leader in Washington without ever forgetting the mining town he came from or the battles he fought along the way This is that rare book by a politician that is more than a glorified press release It is an extraordinary American story told in a voice that is flinty real and filled with passion

The Good Fight Brendan Kelly, 2019-11-01 Before official bilingualism was established in 1969 francophones were scarce in the Canadian public service Marcel Cadieux was one of the few becoming arguably the most important francophone diplomat and civil servant in Canadian history Brendan Kelly s insightful entertaining biography draws on extensive archival research and interviews to reveal a complex figure Cadieux held the nationalist views of many young French Canadians in the 1930s yet he made the distinctly unconventional decision to join the Department of External Affairs in 1941 Public service became the vocation of this blunt funny strong minded and sometimes undiplomatic diplomat Against the backdrop of rising Quebec separatism and the Cold War he headed the department from 1964 to 1970 and served as Canada s first francophone ambassador to the United States from 1970 to 1975 Cadieux s profound belief in the dignity of service speaks eloquently to readers today when professionalism and expertise are often undervalued
