Good Luck Louisa:

1G - 6T Part -2 James Phillips,2010-08-04 This is the second book in the 3 book trilogy of an air force pilot being transferred into the Police and coming to terms with all the corruption and poor performance with his attempts to make the Police as good as the air force In this book he goes from University and Inspector to become a Regional Police Chief His love for his wife continues and they raise a family and a golden labrador He loves his job but it has a dark side to it and he is shot on patrol which nearly breaks his darling wife s heart His millionaire friend goes crackers because he is relying on Greg taking over his business empire gradually The Erotic Whitman Vivian R. Pollak,2000-08-04 In this provocative analysis of Whitman s exemplary quest for happiness Vivian Pollak skillfully explores the intimate relationships that contributed to his portrayal of masculinity in crisis She maintains that in representing himself as a characteristic nineteenth century American and in proposing to heal national ills Whitman was trying to temper his own inner conflicts as well The poet s expansive vision of natural eroticism and of unfettered comradeship between democratic equals was however only part of the story As Whitman waged a conscious campaign to challenge misogynistic and homophobic literary codes he promoted a raceless classless ideal of sexual democracy that theoretically equalized all varieties of desire and resisted none Pollak suggests that this goal remains imperfectly achieved in his writings which liberates some forbidden voices and silences others Integrating biography and criticism Pollak employs a loosely chronological organization to describe the poet s multifaceted faith in sex Drawing on his early fiction journalism poetry and self reviews as well as letters and notebook entries she shows how in spite of his personal ambivalence about sustained erotic intimacy Whitman came to imagine himself as the phallic choice of America **Aunt Louisa's Book of Nursery Rhymes** Laura Valentine,1892 *Always, My Love* Dorothy Fletcher,2013-08-19 As Crimson Romance celebrates its first anniversary we honor those pioneers who helped shape the direction of romance novels for all of us Suspense mystery paranormal activity and love always love have been the cornerstone of the genre since the early 1970s Now we have updated the covers to these classics but not the words and reissued these timeless reads to let you relive the thrill of discovering a world of romance all over again A Love Triangle For almost two years Iris Easton has told herself that falling in love is dangerous because it can break your heart After all hadn t it happened to her So when she arrives in Paris with her recently widowed Aunt Louisa and meets the magnetically handsome Frenchman Paul Chandon it is only natural that Iris gives him the cold shoulder But with her aunt s encouragement and Paul s charming persistence he quickly becomes their companion Then it dawns on Iris Is it Louisa that Paul is attracted to Louisa is a beautiful woman but she is so much older Perhaps Paul is a fortune hunter after her aunt s money Whatever the reason Iris has to know the truth And as she abandons the jealousy and pride she discovers the true passions of her heart to learn that l amour is forever Sensuality Level Behind Closed Doors *Paul Kelter* Jerome K.
