

GOOD MORNING

The book cover features a central illustration of a man with a beard and long hair, wearing a blue jacket, standing in a desolate, green landscape. In the background, there is a dark forest line and a guard tower with a fence. The sky is a mix of orange and yellow, with a large, glowing orange sun or moon that has a face with sharp teeth. A stylized American flag is visible in the upper left. The entire scene is framed by a border of barbed wire.

Good Morning But The Nightmares Never End:

Allah's Garden Thomas Hollowell, 2009 Hollowell focuses his attention on one of the longest held POWs in world history who was held in Morocco a land venerated by Muslims as Allah's Garden **Good Morning** Charlie Dukes, 1997 One combat soldier's experience as an infantryman on the front lines of World War II Europe as a prisoner of war in a German work camp then as a prisoner of another sort in a Russian detention camp and as a displaced disillusioned veteran after the war's end This is author Charlie Dukes own story of his perilous horrific and heart breaking journey but one that was also ultimately triumphant **Against the Current** Pat Ryan, 2012-12-05 In response to a minor emotional crisis a young somewhat naive American man runs off to South America on a fool hearty journey to find himself Over the course of several months he wanders from the beaches and festival cities on the coast of Brazil to the dead center middle of the Amazon jungle Along the way he encounters a great variety of people from all walks of life backpackers bums con artists scoundrels prostitutes cops criminals artists entrepreneurs anti American extremists pro American patriots and of course a few very beautiful women Unfortunately he also becomes accidentally involved in drug smuggling and several people end up dead Will the young hero succeed in finding himself during his epic journey Or will the crazy fool's reckless adventure end in total disaster Forthcoming Books Rose Army, 1998-04 A Call to Stand Georgette Loschiavo, 2009-10 Americans have been weathering this storm but a sequel is inevitable A nightmarish storm is hovering over Us right now and the dark clouds are threatening almost every aspect of Our lives In the wake of every crisis there comes a moment when a lightening bolt of truth hits The sting goes deep and anger arises when Our pretentious picture of Ourselves is disturbed but the pain of facing past mistakes will be worth it if it wakes Us up to remember Who We are We must learn what it takes to be good stewards of the legacy left to Us We are facing a tempestuous point in time but built into every storm is the chance to learn and grow We have to know Who We are and what is required to keep the dream alive Change must come but We must be the change The evolution of both democracy and Humankind requires education and cooperation Nothing more and nothing less The next step is a matter of choice Our choice It is time to learn from history and answer the call to take a stand *Until the End of Time* Stan Rogers, 2010-08-20 I like to examine the dark side of life through my writing Whether it is through my novels or my poetry I find I prefer the walk along the dark side of the road over the heart lifting sunnier side This Anthology is a walk along that road although it does include lighter moments and the occasional funny aside Apart from the poetry in this Anthology you will also find views of life and in particular my antipathy towards organised religion alongside a couple of very short children's stories So please read my Anthology It will make you smile I hope as well as make you cry I have also written and published one novel so far entitled LOVE SEX AND TIME TRAVEL I always point out that it is not a science fiction novel as such There are no time machines aliens or spaceships in it but it is rather a bitter sweet love story again examining the darker side of love and life The Nightblood Prince: A Good Morning America YA Book Club Pick Molly X.
