Actor s Edition of Shakespeare Revisited is a book for actors directors professors of theatre and the general public Each of the plays has been edited for more understandability and length The intent of the book was to make the works more accessible without making the language modern When audiences see a Shakespeare play they have only one time to grasp the words as they are spoken Audience members do not have time to look at lengthy explanations or notes about words or expressions Therefore this edition of these five plays presents the plays so that audience members as well as actors can follow the plays with little difficulty Some words have been changed to accomplish this In certain speeches subjects or verbs were supplied for understandability Because Shakespeare used many pronouns these plays make use of more nouns so that the meaning of who or what is being spoken about becomes more clear The book also has some useful tools for the director and actors A chart has been provided for each play that lists each character by act and scene This can be very useful when there is a need to double cast actors In addition a combination roles page has also been added which gives suggestions for doubling parts for a smaller company To help at rehearsals page numbers for the beginning of each act and scene is provided on a single page for each play Finally each play has been broken into beats for the actor and the director It is the hope of the author of this book that more people will find excitement in reading performing staging or viewing Shakespeare because of the edited versions for understandability Enjoy the plays either reading or performing

path back to the Dingle always hopeful that someone might be murdered on the way as a distraction When he finally gets there things are not at all as they should be They should be truly awful but this is simply peculiar There is obviously something going on Hermitage can see it so why doesn't anyone else believe him And even when there is a murder it doesn't help much Previous volumes have received comment Very good indeed brilliant BBC 5 Everything has to stop for a Hermitage book hilariously funny 5 Yet another hilarious adventure for Brother Hermitage and his companions 5 All the tales of the adventures of Hermitage the monk are genuinely funny and contain an intriguing plot The Cartel Deluxe Edition Ashley Jaquavis, 2018-01-30 The port of Miami brings in millions of dollars worth of cocaine every year and the Cartel controls eighty percent of it The Diamond family is a force to be reckoned with but all hell breaks loose when they lose their leader The most ruthless gangster Miami has ever seen Carter Diamond leaves behind a wife twin sons a daughter and a secret The secret is his illegitimate son Carter Jones When young Carter learns of his father's death he comes to town and is introduced to the legacy of the Cartel Miamor is a woman who uses her beauty to enhance her skill as a contract killer She is the leader of The Murder Mamas When her crew is hired to take down the Cartel they get caught slipping and Miamor loses her sister in the process She is determined to get revenge Unknowingly she meets the son of Carter Diamond and he immediately catches her heart She is sleeping with the enemy and when she finds out she is torn between love and revenge Thus begins the saga of the Cartel the New York Times bestselling series by street lit superstars Ashley Jaquavis Every book in the series is full of their trademark fast paced drama deceit and plot twists that will leave you shocked Now fans can relive the story of the Diamond family in this deluxe edition with books one through three all under one cover *Plays by Henry Arthur Jones* Henry Arthur Jones, 1982-09-09 The Silver King The Case of Rebellious Susan and The Liars with a full introduction **Sex, Crime and Literature in Victorian England** Ian Ward, 2014-11-01 The Victorians worried about many things prominent among their worries being the condition of England and the question of its women Sex Crime and Literature in Victorian England revisits these particular anxieties concentrating more closely upon four crimes which generated especial concern amongst contemporaries adultery bigamy infanticide and prostitution Each engaged questions of sexuality and its regulation legal moral and cultural for which reason each attracted the considerable interest not just of lawyers and parliamentarians but also novelists and poets and perhaps most importantly those who in ever larger numbers liked to pass their leisure hours reading about sex and crime Alongside statutes such as the 1857 Matrimonial Causes Act and the 1864 Contagious Diseases Act Sex Crime and Literature in Victorian England contemplates those texts which shaped Victorian attitudes towards England's condition and the question of its women the novels of Dickens Thackeray and Eliot the works of sensationists such as Ellen Wood and Mary Braddon and the poetry of Gabriel and Christina Rossetti Sex Crime and Literature in Victorian England is a richly contextual commentary on a critical period in the evolution of modern legal and cultural attitudes to the relation of crime sexuality and the family **The Sergeant of Fort Toronto** George F.
