Good News In Revelation:

What Will Soon Take Place Tania Runyan, 2017-12-01 *What Will Soon Take Place* is an imaginative journey through the book of Revelation. It offers a poet's view of the prophetic not in the sense of seeking out clues to the end times but a means of taking this strange fantastic book of scripture and letting it read its way into personal lives. **Revelations of the End** Dr. Robert "Andy" Gowins, 2025-02-05 *Revelations of the End: A Fresh Look at an Ancient Eschatology* is not a traditional chapter and verse breakdown of the major themes of the New Testament book of Revelation. It is however an eschatological commentary that utilizes the framework of the book of Revelation to revisit the traditional and orthodox end time teachings of the church for most of its history. The book attempts to address the eschatological expectations of the early first century church for whom this apocalyptic and prophetic letter was originally written. It seeks to explain the Old Testament eschatological expectations through the structure of New Testament eschatological revelations as expressed through the letter of Revelation. This eschatological commentary is an attempt to revisit the biblical historical and orthodox teachings of the church concerning matters of the last days. *The Bible and the End of the World* Margaret Nutting Ralph, 2014-05-14 Margaret Nutting Ralph attempts to correct what she claims are misinterpretations and misreadings of Scriptures that deal with the end of the world and serve to instill fear in the hearts of believers. Her call is for reading the Bible in with an eye to context. *Biblical Strategies for a Community in Crisis* Colleen Birchett, 1995-04 Through inspirational messages and warnings 11 leading Christian thinkers share with readers the major challenges facing the African American community and its church. Readers are given biblical strategies for facing these challenges. 12 lessons. Leader's Guide also available. *A Better Understanding* (Vol. 2) G. Ancel Killion, 2010-03-25 The information that I have presented in these writings is possibly controversial to the belief of others. In my search for Bible truth I have derived from others many of the conclusions found within these Biblical subjects. With each subject I have insisted on positive proof by finding supporting scriptures that prove their meaning. By doing extensive search of the scriptures I believe the things written here are closer to Bible truth than what others have found. I was prompted to get a better understanding of the scriptures by the fact that there are so many different beliefs being taught in the Christian churches. I have tried to keep an open mind about those things that I have heard from the many ministers of the churches that I have attended. I have always been with the idea that if one just accepts what you are being told in these churches there is a danger because you are putting your salvation in another's hands. I have come to believe there are many false ideas being taught by those ministers of the Christian belief. I believe those ministers are sincere with their teaching but I also believe they in many ways have it wrong. I have considered the old saying if you are being led by a blind man and he falls into the ditch you also will fall into that ditch. I feel strongly that each one of us is responsible for our own salvation by hopefully getting it right. The things I have written are my opinion and one must decide upon reading if it agrees with your understanding. For many years I have done extensive study of the scriptures and believe I have found a

more truthful understanding of those scriptures I believe in what I have found so strongly that I feel I must tell others

The Coming of the Millennium Darrell Fasching, 2000-12 Throughout the last two millennia Christianity understood its divinely mandated mission to be to conquer the world for Christ Too often this proclamation led Christians to imagine that their goal must be the elimination of all non Christians from the world through conversion or when that fails through coercion and violence e g the Inquisition the Crusades anti Semitic persecution Western colonialism etc At the beginning of the third millennium and an age of global diversity Darrell J Fasching argues that it is time for Christians to reject this view of their mission along with the trail of prejudice and violence it has created and replace militaristic metaphors of conquest with the biblical message of hospitality to the stranger When we welcome the stranger according to biblical teachings we welcome God Genesis 18 1-5 the Messiah Matthew 25 35 or an angel of God Hebrews 13 2 Fasching takes us on a journey through the stories of the Bible to show that diversity is God's covenant intention for humanity Consequently the mission of Christians must not be to convert or eliminate non Christians but rather to welcome them as strangers for a world without strangers is a world without God

Diverse and Creative Voices Dieumeme Noelliste, Sung Wook Chung, 2015-04-20 As the twentieth century passed its midpoint and was rushing toward its end a growing number of Majority World theologians came to realize that they could in fact do theology in their own contexts for the benefit of their own people Thus from the 1960s onward theologians in the global South have embarked on a form of theological construction that has sometimes been described as contextual reflection or contextualized theology This volume is motivated by the conviction that these efforts have resulted in

theological work that is also beneficial for Christians in other parts of the world The editors have invited Majority World theologians to share their reflections on several themes of Christian faith from their own sociohistorical perspectives but with an unswerving commitment to the authority of Scripture It is hoped that these fresh reflections will help Christians in the West engage and benefit from the perspectives of fellow believers in the global South [Hope for Creation](#) Jonathan J. ramifications **The holy Bible, tr. by R. Young** ,1863 **Nowhere to Go But Up** Kevin E. Ruffcorn,2020-08-04 For most of its history the church has preached and taught a doctrine of dubious biblical origins The doctrine has cast a pall of gloom over the light of the gospel of Jesus Christ It has caused division in the human family has inspired fear of God s wrath in the lives of the faithful and has prevented believers from experiencing the abundant life that is theirs through the life death and resurrection of Jesus Nowhere to Go But Up investigates the source of this doctrine and surveys its use by the Christian church From its findings the book offers an alternative interpretation to several passages of Scripture recapturing the understanding of the first followers of the Way and the insights of the earliest church fathers Several salvation motifs are resurrected from the early centuries of the church These motifs invite readers to view the ministry of Jesus from refreshing life changing perspectives Shunning the centuries old practice of living in fear of God s judgment the book presents readers with a new dynamic yet realistic vision of living in the power of God s love celebrating creation the diversity of the human family and our unity as God s children [The Ministry of the Word, Vol. 27, No. 09](#) Various Authors,2023-11-08 This issue of

Tribulation and the Armageddon War these concepts are deeply embedded in Christian eschatology or the study of end times The Rapture is believed to be the biblical event where believers are taken up to heaven to be with God before a period of tribulation and judgment on earth The Great Tribulation is a period of intense suffering and turmoil that is prophesied to occur before the final battle of Armageddon believed by the author to be World War III These apocalyptic beliefs have captured the imagination of many believers and have inspired countless books movies and religious teachings While interpretations of these events may vary among different Christian denominations the underlying message of hope redemption and faith in the face of adversity remains a central theme
