Nightkill F. Paul Wilson, Steven Spruill, 1999-04-15 Jack Nacht knows how to take risks and believes in justice even if it's of the skewed sort he's one of the best at what he does and what he does is kill people for a living But it's a young man's game and he wants out And his instincts are right When Jake reluctantly agrees to go on one last hit he's double crossed and ends up completely paralyzed The mob thinks he's done a deal But what they don't know is that a brilliant doctor has developed a dangerous and deadly new technique And if he succeeds Jack Nacht will not only walk away again but might also get a shot at revenge

A Better Man Rick Steber, 2015-06-23 The True Story of One Man's Incredible Journey Dave Franke might have been content to lead the life of a simple cowboy But he believed in the American Dream started a construction company and rode the crest of a building boom to the pinnacle of success When the Great Recession hit and interest rates topped 24% he lost it all He drowned his failures with alcohol Then one day out on the broad sweep of the desert God and Satan had a fistfight over his alcoholic soul This is powerful story of profit and loss of weakness and strength a story of love forgiveness deliverance and redemption

Misery Stephen King, 2025-08-05 Originally published New York Viking 1987 *The Boys from North Dakota* Robert Battistuzzi, 2013-04 It was prom night for the class of 65 in Wattinger North Dakota In just a few days the Road Demons made up of Gerry Randy Art and Bobby would be heading for the west coast to make big money as lumberjacks and leave a trail of broken hearts This would be their last trip together before working towards their careers perhaps moving

to different cities However for Bobby this trip is not a certainty Things were much more simple for the others He was the only one saving money for college and his strict father did not approve of the trip especially with his friends whom he had felt were wasting their lives spending too much money on their cars Bobby was faced with the dilemma of trying to please his father whose old fashioned ideals were in conflict with the American way of life or going on this last trip with his friends Would he show up with the others when it was time to leave If he did go on the trip what would happen if he returned with no money

The Zondon Robby Charters,2010-02-21 Ernie didn't mind the weird fantastic dreams at first but he finds it disturbing when they suddenly begin to encroach on real life and then real life begins to take a disturbing turn But the ultimate twist he discovers a glowing crystal in an archaeological site From that crystal he realises he's been on a mission since before birth Seven people born in every corner of the world each has been plagued with doubts dreams and obsessions since childhood that don't make sense They each had a twin who didn't share their obsession and made their lives miserable Ernie Magawan is one of them and is the first to make the self discovery He is an alien born in a human body Though born on earth they are in fact Zondon from a planet clear across the galaxy here on a mission that they must complete The future of the human race and of the galaxy depend on it Those memories are awakened through contact with a mysterious green crystal On awakening Ernie Magawan realises that he must find and awaken the other six The action adventure takes him on a roller coaster ride from the archaeological site in Egypt where he found the crystal to the streets of Bangkok to the mountains of Afghanistan to Jerusalem to a nuclear silo in North Korea and finally the Golden Triangle On the way he and his growing team rub shoulders with international terrorists Neo Nazis migrant farm workers and a mystic rabbi as well as their ultimate enemy a formidable creature also from across the galaxy in the guise of a powerful international financier and terrorist boss who has been waiting for them all their lives Armed with extrasensory powers of mind control as well as access to vast political resources terrorist organisations and WMDs their enemy is the hidden hand behind all diabolical conspiracies Some enemies are so powerful and strategically placed that the only way one can fight them is through Wisdom And there are times while fighting those enemies one is faced with a choice a test of one's character one moves forward by listening to the heart all the while the brain is screaming for the alternative Should the initial result appear a disaster the brain says I told you so but later one realises that that was exactly the right choice the test passed with flying colours An International Suspense Thriller Robby Charters has spent time in about half of the places mentioned in the narrative and did research on the other half But apart from having been there and done it his biography wouldn't make very interesting reading which is just probably as well He was born and raised in Thailand and presently lives in Northern Ireland with his Thai Chinese wife Bless and their son Abie
