GOOD WRITING?**

Good Writer

Robert Brown

Good Writer:

Make Writing a Passion James David Rockefeller, Good writing is an art that turns an ordinary piece of content into an extraordinary one. It helps the reader relate to the story the message or anything else the writer may be conveying through his or her writing. Anyone can write a story or any other piece of content but good writing is not everyone's cup of tea. Good writing is not in your genes; it can be learned. People often think that a good writer is someone who is highly qualified or who has more knowledge. Well, that is just not the fact. A person doesn't need to get an advanced degree or take extra courses to become a good writer. All that's needed is passion, dedication, interest, and a love for writing; those are the things that make a person a good writer. If you have the desire to become a good writer, then this book will be a great help to you. *Good Writer's Guide (Hardcover)*
