There's no way he understands who or what he's up against. We're defenseless against the evil in front of us until he unlocks something powerful inside of me. Something I didn't know was there. Now the question is whether I can connect the dots before the madhouse I'm stuck in breaks apart and reveals a truth I can't handle. I'm in love. Calabaz I'm no stranger to deception and breaking the rules is all right in my book. Especially when it's to help my people avoid the apocalypse. So they send me to go undercover on Mars to locate a Guardian to help in our quest. Unfortunately it's at the crazy house. Almost humorous how well I fit in. A beautiful woman that doesn't quite seem to belong in a padded white room attaches herself to me. And I push her back but the more I resist the harder fate works to keep us together. A man can only resist for so long. Little did I know what she was capable of or I'd have made my moves from the start. I'm just hoping to keep my sanity long enough to help her recover hers. The Vartik King Chronicles is planned as a sexy Sci-Fi Standalone series where eight siblings get an adventure and find love in the galaxies beyond home. Come join this new adventure and fall in love with the world I've created. Each book can be read separately and out of order. Enjoy.

Davies, 2018-10-05 Gary Channing's transition into middle age has been rather uneventful so far. After twelve good years of marriage to his loving wife Sue and raising two kids, Gary's life has become something of a blur of rinse and repeat evenings watching the TV. However, Sue has organised for the two of them to spend the weekend in Hope Hall, a so-called haunted stately home where even the walls feel like they're watching you. Being fans of the paranormal themselves, Gary and Sue think they've seen everything, but that comfort quickly vanishes as soon as the couple arrives on the grounds. Plagued by visions and waking nightmares, Gary immediately feels at odds with the eerie hallways of Hope Hall, something which only is exacerbated when he finds himself talking to the wealthy architect of the building, Henry. Talking to the owner shouldn't be a problem, but Henry built Hope Hall in 1840 and died thirty years after that. Offering Gary a haunting warning about his fate and purpose at the Hall, the ghost informs him that he'll be visited by even more apparitions over the coming months, all of whom will give him the insight he needs in one form or another for the impending battle between good and evil. Getting the rest of the family caught up in the mix, Gary's beliefs are brought into question as he falls head first into this fight for the souls of the dead.
