approach the post verbal NP is a recipient of a verbal force whether it is a subcategorized object or not and the verbal force being exerted onto the post verbal NP is responsible for bringing about the change as specified by the result phrase It is shown that many apparent puzzles posed by English resultatives are due to the complex interplay between the verb meaning and the constructional meaning or between the verb meaning and the semantics of the result phrase Thus the proposed account can provide answers to the question Which resultatives are possible and which are not in a coherent way Also the proposed account reveals that English resultatives are not a monolithic phenomenon and that some resultatives cited in the literature as such are not resultatives at all This book is of interest not only to practitioners of Construction Grammar but also to everyone interested in English resultatives

Pulp Fiction to Film Noir William Hare,2014-01-10 During the Great Depression pulp fiction writers created a new distinctly American detective story one that stressed the development of fascinating often bizarre characters rather than the twists and turns of clever plots This new crime fiction adapted brilliantly to the screen birthing a cinematic genre that French cinema intellectuals following World War II christened film noir Set on dark streets late at night in cheap hotels and bars and populated by the dangerous people who frequented these locales these films introduced a new antihero a tough brooding rebellious loner embodied by Humphrey Bogart as Sam Spade in *The Maltese Falcon* and Philip Marlowe in *The Big Sleep* This volume provides a detailed exploration of film noir tracing its evolution the influence of such legendary writers as Dashiell Hammett and Raymond Chandler and the films that propelled this dark genre to popularity in the mid 20th century

Catalog of Copyright Entries ,1945 *Faith Horror* LMK Sheppard,2022-03-22 Faith horror refers to a significant outcropping of mid 1960s and 1970s films and adaptative novels that depict non Christian communities of evil doers and their activities Before this period the classical horror villain was ultimately ineffectual The demonic monster was an isolated lone individual easily vanquished by an altruistic Christian protagonist Alternatively the villain in faith horror is organized into identity affirming likeminded religious congregations that successfully overcome protagonists Faith horror was a cinematic trend that depicted Satanism witchcraft and paganism during a cultural deliberation over the Death of God which debated the legitimacy of alternative spiritualities and the value of alliance to any faith at all Covering popular works like *Rosemary's Baby* *The Wicker Man* and *The Omen* this book regards these films and their literary sources in relation to this historical moment providing new ways of understanding both the period and the faith horror movement more generally

Nixon, Ford and the Abandonment of South Vietnam J. Edward Lee,H.C. "Toby" Haynsworth,2015-10-03 South Vietnam fell because of events occurring thousands of miles away from the battlefields in China the Soviet Union Latin America the Middle East and Washington's corridors of power along protest lines and around America's dinner tables These other wars being fought by American presidents Richard Nixon and Gerald Ford profoundly impacted what happened in Vietnam This work examines those other conflicts and the political social and economic factors involved with them that distracted and crippled the presidencies of Richard Nixon and Gerald Ford and led to the eventual abandonment of the U S supported South Vietnamese regime Nixon entered office with the goal of bringing the world together but saw that goal ruined by the 1973 war in the Middle East preoccupations with China and the Soviet Union a weak economy Watergate and his disgraceful exit from the White House Ford's presidency was tainted almost from the beginning because of the pardon he

granted to Nixon but the American public tired of war and concerned about the economy was ready to hear that the war had come to an end. An argument is presented that the war could have been won if the other wars had been fought by presidents willing to honor the American commitment to its allies in South Vietnam.

Inventing Elsa Maxwell Sam Staggs, 2012-10-16. Inventing Elsa Maxwell: the first biography of this extraordinary woman tells the witty story of a life lived out loud. With Inventing Elsa Maxwell, Sam Staggs has crafted a landmark biography. Elsa Maxwell (1881-1963) invented herself not once but repeatedly. Built like a bulldog, she ascended from the San Francisco middle class to the heights of society in New York, London, Paris, Venice, and Monte Carlo. Shunning boredom and predictability, Elsa established herself as party giver extraordinaire in Europe, with whom you are parties, treasure hunts, e.g., retrieve a slipper from the foot of a singer at the Casino de Paris, and murder parties that drew the ire of the British parliament. She set New York a twitter with her soirees at the Waldorf, her costume parties, and her headline-grabbing guest lists of the rich and royal, movie stars, society high and low, and those on the make, all mixed together in let'er rip gaiety. All the while, Elsa dashed off newspaper columns, made films in Hollywood, wrote bestselling books, and turned up on TV talk shows. She hobnobbed with friends like Noel Coward and Cole Porter. Late in life, she fell in love with Maria Callas, who spurned her and broke Elsa's heart. Her feud with the Duchess of Windsor made headlines for three years in the 1950s. One of the twentieth century's most colorful characters is brought back to life in this biography by the author of All About All About Eve.
