**Goodbye, Eastern Europe** Jacob Mikanowski, 2023-07-11 In light of Russia's aggressive 2022 invasion of Ukraine *Goodbye Eastern Europe* is a crucial elucidative read a sweeping epic chronicling a thousand years of strife war and bloodshed from pre Christianity to the fall of Communism illuminating the remarkable cultural significance and richness of a place perpetually lost to the margins of history Eastern Europe has gone out of fashion since the fall of the Soviet Union Ask someone today and they might tell you that Estonia is in the Baltics or Scandinavia that Slovakia is in Central Europe and that Croatia is in the eastern Adriatic or the Balkans In fact Eastern Europe is a place that barely exists at all except in cultural memory Yet it remains a powerful marker of identity for many with a fragmented and wide ranging history defined

by texts myths and memories of centuries of hardship and suffering Goodbye Eastern Europe is a masterful narrative about a place that has survived being forgotten Beginning with long lost accounts of early pagan life Mikanowski offers a kaleidoscopic tour of the various peoples who made Eastern Europe their home over the centuries including the Roma Jews and Muslims the great kingdoms of the medieval period the rise and fall of the Ottoman Habsburg and Russian empires the dawn of the modern era the ravages of fascism and Communism the birth of the modern nation state and beyond A student of literature history and the ghosts of his own family's past Mikanowski paints a magisterial portrait of a place united by diversity and eclecticism and of people with the shared story of being the dominated rather than the dominating The result is a loving and ebullient celebration of the distinctive and vibrant cultures that stubbornly persisted at the margins of Western Europe and Russia and a powerful corrective that re-centers not only our understanding of how the modern Western world took shape but also the ways in which Eastern Europe has evolved throughout history to become what it is today
