Goodbye Tomorrow:

Your Own Song to Sing (Volume 2) Saverio,2011-04-01 Writing has taken over my life in a good way My thoughts continually are geared towards my next song Sometimes I get a few lines in my head when I am driving and I have to pull over the car and write them down No matter where I am I get the urge to write I could be talking to a neighbor or be in the middle of mass at church and a word or phrase will pop into my head and whoa a new song is born More than anything I love love love the peace of mind songwriting allows me to have Most of my lyrics take me 15 to 30 minutes to write There was a time when I was writing 6 8 lyrics in a day Sometimes I would sit there and stare at my pencil asking why did you stop I swear at times the pencil kept moving like I wasnt even thinking of what to write This is my first edition I hope to continue with future editions as I am still writing new songs everyday Someday I hope to put my lyrics to my own music and I recently started taking piano lessons Hey we all know life is a learning process a learning curve we need to experience the turns with the ride I wish you all success with this book and look forward to seeing some of you with me when it comes to award times

Abdulrahman AlBanna,2024-02-28 A journey Through the hardships of life The struggles The darkness within The rights The wrongs To a moment A simple moment Of clarity Leading to Self discovery We each have our own journeys in life paths we are forced to take and passageways through which we all struggle Darkness surrounds us slowly consuming us and a darkness within screams out the names of every sin Every restless night every tiresome day every tearful fight and every

word we couldn't say The rights and wrongs The sorrows and heartbreaks The times we were forced to play along All of our mistakes All of them Everything leads to a moment that changes everything A moment marking a new chapter in our lives A moment of clarity where we finally see the truth where we finally see ourselves A moment where we have a decision to make A moment of choice leading to self discovery and marking yet another journey A new journey like all our other journeys Darkness and light Fight after fight Nothing is right nothing is wrong This was justice all along A path we must take for our own sake to finally be able to see A path for you A path for me
