

A GOODLY HERITAGE

The image features a lit candle in a dark holder on a wooden surface. Next to the candle is an open book with aged, yellowed pages. In the background, a large American flag is draped over a wooden frame. The scene is dimly lit, with the candle providing the primary light source.

Goodly Heritage:

Masters and Slaves in the House of the Lord John B. Boles, 2021-03-17 Much that is commonly accepted about slavery and religion in the Old South is challenged in this significant book The eight essays included here show that throughout the antebellum period southern whites and blacks worshipped together heard the same sermons took communion and were baptized together were subject to the same church discipline and were buried in the same cemeteries What was the black perception of white controlled religious ceremonies How did whites reconcile their faith with their racism Why did freedmen as soon as possible after the Civil War withdraw from the biracial churches and establish black denominations This book is essential reading for historians of religion the South and the Afro American experience *A Goodly Heritage* George Holbert Tucker, 1983 Preserving a Reformed Heritage John W Keddle, 2016-11-15 This is the story of the Free Church of Scotland in the 20th Century It outlines the life and witness of the Church throughout the century dealing with some of the issues which faced the Church in that period A companion volume entitled *A Divided Church* provides an account of the division which occurred in the Free Church of Scotland in 2000 a division that led to the emergence of the Free Church of Scotland Continuing This is not an exhaustive history nor is it an official one It is in the nature of *Aspects of the History of the Free Church of Scotland in the 20th Century* The Free Church itself reflected a confessional evangelical and reformed position throughout the century though not without testing times not least right at the end of the century **"A Goodly Heritage." stressing connection only through a momentary exchange for bequest resembles gift giving and connects past to present
 Consequently heritage contains competing impulses subtexts largely unexplored given the trope's lapse into cliché The volume
 charts how these resonances developed as well as charting more contemporary aspects of heritage as postmodern image
 tourist industry historic environment and metaculture These dimensions develop the trope moving it from singular focus on
 continuity with the past to one more oriented around different lines of relation between past present and future Heritage as a
 trope is explored through a wide range of texts core accounts of political theory Locke and Burke seminal documents within

 range of contemporary fiction from novelists including Zadie Smith Julian Barnes Hilary Mantel Sarah Waters Alan

 the most potent force shaping the destiny of mankind today The sense of heritage replies this noted author But what heritage
 shall be selected from yesterday The answer to that puzzling question is given in this thought compelling book The purely
 forward view has broken down today and we must look backward for our creative pattern of life Mankind Dr Mackay
 maintains can only get a fresh start by a rediscovery of the past When God coming in the Great Tribulation is chosen as the
 chief heritage of humanity then men will fulfill their true destiny in personal cultural and national life Here is a timely yet
