Goodnight Moon A 50th Anniversary Retrospective:

The Making of Goodnight Moon Leonard S. Marcus, 1996-11-01 Tells the story of Goodnight Moon including anecdotes previously unpublished photographs and full color studies of the artwork

The Secret Life of the Lonely Doll Jean Nathan, 2025-09-23 A glamorous haunted life unfolds in the mesmerizing biography of the woman behind a classic children's book In 1957 a children's book called *The Lonely Doll* was published With its pink and white checked cover and photographs featuring a wide eyed doll it captured the imaginations of young girls and made the author Dare Wright a household name Close to forty years after its publication the book was out of print but not forgotten When the cover image inexplicably came to journalist Jean Nathan one afternoon she went in search of the book and ultimately its author Nathan found Dare Wright living out her last days in a decrepit public hospital in Queens New York Over the next five years Nathan pieced together a glamorous life Blond beautiful Wright had begun her career as an actress and model and then turned to fashion photography before stumbling upon her role as bestselling author But there was a dark side to the story a brother lost in childhood ill fated marriage plans a complicated controlling mother Edith Stevenson Wright herself a successful portrait painter played such a dominant role in her daughter's life that Dare was never able to find her way into the adult world Only through her work could she speak for herself in her books she created the happy family she'd always yearned for while her self portraits betrayed an unresolved tension between sexuality and innocence a desire to belong and painful isolation Illustrated with stunning photographs *The Secret Life of the Lonely Doll* tells the unforgettable story of a woman who imprisoned by her childhood sought to set herself free through art

Geographies of Comfort Danny McNally, Laura Price, Philip Crang, 2020-12-29 Bringing together conceptual and empirical research from leading thinkers this book critically examines comfort in everyday life in an era of continually occurring social political and environmental changes Comfort and discomfort have assumed a central position in a range of works examining the relations between place and emotion the senses affect and materiality This book argues that the emergence of this theme reflects how questions of comfort intersect humanistic cultural political and materialist registers of understanding the world It highlights how geographies of comfort becomes a timely concern for Human Geography after its cultural emotional and affective aspects More specifically comfort has become a vital theme for work on mobilities home environment and environmentalism sociability in public space and the body Comfort is recognized as more than just a sensory experience through which we understand the world its presence absence and pursuit actively make and un make the world In light of this recognition this book engages deeply with comfort as both an analytic approach and an object of analysis This book offers international and interdisciplinary perspectives that deploys the lens of comfort to make sense of the textures of everyday life in a variety of geographical contexts It will appeal to those working in human geography anthropology feminist theory cultural studies and sociology

Brown Margaret had a boundless imagination and a gift for spinning stories Most grown ups thought children s books were frivolous and silly but Margaret didn t agree Could writing stories for children be important work a incredible way to share truth beauty and wonder Other people might call Margaret strange and sometimes her own worries and doubts felt overwhelming But only Margaret and her original ideas could lead to Goodnight Moon The Runaway Bunny and other classics beloved by children around the world From smuggling rabbits onto trains to scribbling stories about island whispers Margaret embraced adventure in life and on the page This whimsically illustrated biography shares how an independent fun loving woman became a trailblazing pioneer of the picture book form Alabama Department of Education Alabama Children s Choice Camellia Award 2 3 Nonfiction Nominee 2022 2023 [Margaret Wise Brown](#) Leonard S.
