 widower is not looking for a long term partner As a surrogate the deal was that I'd only be in England long enough to give  
 birth At first the man seemed as pretentious as his name Sigmund Benedictus He and I butted heads Sig challenged my  
 intentions accused me of just wanting to do this for the money Gradually he learned to trust me He even became protective  
 Over time our heated animosity turned into fiery chemistry I was falling in love with him But my time here had a limit I  
 needed to protect my heart from the devastatingly gorgeous older man who'd end up breaking it SIG When my in laws told  
 me they wanted to use my dead wife's eggs to conceive a grandchild I wasn't immediately on board They swore that on her

deathbed Britney told them it was what she wanted but only if I fathered the baby Her parents insisted they would be the ones to raise it Against my better judgment I agreed I vowed to keep my heart out of it though I d continue to pretend it wasn't happening and live the empty single life I d become accustomed to the past five years since Britney died And despite the fact that a certain younger American named Abby Knickerbocker had awakened things inside me that I thought were long dead I most certainly wouldn't fall in love with the surrogate

Review 1 Beth Hyland's *Diary of a Romance Scam* is a raw courageous and deeply human story that exposes the psychological warfare behind romance fraud. As someone who has studied manipulation and social engineering for over two decades, I can tell you this book is not just a personal memoir; it's a masterclass in how emotional abuse is weaponized by skilled criminals. Beth's vulnerability and strength in sharing her experience will not only educate but empower readers to recognize red flags, protect themselves, and begin healing. This is a must-read for anyone who thinks it could never happen to them. CHRISTOPHER HADNAGY, Author, CEO of Social Engineer LLC and The Innocent Lives Foundation.

Book Review 2 Beth Hyland's book on romance scams is a powerful personal look at what it's like to be caught in one of these devastating cons. She doesn't just break down how the scam works; she takes you through the emotional rollercoaster of trust, betrayal, and heartbreak that so many victims experience. But what makes this book stand out is that Beth doesn't stay in the darkness. Instead, she turns her story into something bigger: a mission to educate, warn, and empower others so they don't have to go through what she did. It's raw, eye-opening, and ultimately a testament to resilience and hope. ERIN WEST, Founder of Operation Shamrock.
