Goose And Tomtom:

Goose and Tomtom David Rabe, 2007-12-01 A violent surrealist romp from the Tony Award winning playwright of *Hurlyburly* and *Visiting Edna* The Brown Daily Herald David Rabe explores the struggle between hope and anguish in the human spirit in this story of two small time jewel thieves united in a strangely unsettling friendship and the constant fight to prove to themselves and others how tough they are But when their frantic scheming suddenly begins to betray them in mysterious ways they find themselves trapped into a kidnapping and a murder over which they seem to have no control Or do they David Rabe's language creates and recreates reality in constantly surprising ways magically dramatizing the danger of the power of illusion and the illusion of power with force and insight A potluck smorgasbord of surrealism dream soliloquies science fiction noir potboiler and fairy tales with the ghosts of such other writers as David Mamet Harold Pinter Sam Shepard and even novelist Thomas Pynchon hovering nearby boasts ample proof of a top notch writer at work Chicago Tribune A fast paced visceral work with a manic anarchic energy a chaotic examination of power and powerlessness in a frightening irrational universe The Brown Daily Herald A surrealist hilarious mind fuck of a play a wild high energy ride through plot and action LAist Praise for David Rabe Few contemporary dramatists have dealt with violence physical and psychological more impressively than Rabe Kirkus Reviews A remarkable storyteller Chicago Tribune Rabe's mastery of dialogue is the equal of Pinter and Mamet put together The Boston Globe [Goose and Tom-Tom](#) David Rabe, 1979

[Goose and Tomtom](#) David Rabe, 2007 *Goose und Tomtom* David Rabe, 1995 [Staging Masculinity](#) Carla J. McDonough, 2006-07-19 The men in plays such as Arthur Miller's *Death of a Salesman* or Sam Shepard's *True West* are often presented as universal little attention is given to the gender dynamics involved in the characters This work looks at how contemporary playwrights including Miller Shepard Eugene O'Neill David Mamet and August Wilson stage masculinity in their works It becomes apparent that male playwrights return often to the issues of troubled manhood usually masked in other issues such as war business or family The plays indicate both the attractiveness of the model of traditional masculinity and the illusive nature of this image which all too often fractures and fails the characters who pursue it O'Neill's play *The Hairy Ape* and the character Yank receive much attention *New York Magazine*, 1986-10-06 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Duo!** John Horvath, Lavonne Mueller, Jack Temchin, 1995 Offers a wide range of age genre and character choices for each duo scene **The Ultimate Scene and Monologue Sourcebook, Updated and Expanded Edition** Ed Hooks, 2010-05-19 All actors and acting teachers need *The Ultimate Scene and Monologue Sourcebook* the invaluable guide to finding just the right piece for every audition The unique

format of the book is ideal for acting teachers who want their students to understand each monologue in context This remarkable book describes the characters action and mood for more than 1 000 scenes in over 300 plays Using these guidelines the actor can quickly pinpoint the perfect monologue then find the text in the Samuel French or Dramatist Play Service edition of the play Newly revised and expanded the book includes the author s own assessment of each monologue

Routledge Revivals: David Rabe (1988) Philip C. Kolin,2016-11-10 In the twenty years that preceded the publication of this book in 1988 David Rabe was in the vanguard of playwrights who shaped American theatre As the first full length work on Rabe this book laid the groundwork for later critical and biographical studies The first part consists of an essay that covers three sections a short biography a summary and evaluation of his formative journalism for the New Haven Register and a detailed and cohesive stage history of his work The second part presents the most comprehensive and authoritative primary bibliography of Rabe to date with the third section containing a secondary bibliography including a section on biographical studies

Re-writing America Philip D. Beidler,1991 With his first book American Literature and the Experience of Vietnam Philip Beidler offered a pioneering study of the novels plays poetry and literature of witness that sprang from the United States involvement in the Vietnam War Reviewing the book the journal American Literature declared It is more than just an introductory act It also sets forth what are sure to be lasting types of American literary response to Vietnam and of the scholarly response to the emerging literature of the war In Re Writing America Beidler charts the ongoing achievements of the men and women who first gained public notice as Vietnam authors and who are now recognized as major literary interpreters of our national life and culture at large These writers among them Tim O Brien Philip Caputo Winston Groom David Rabe John Balaban Robert Stone Michael Herr Gloria Emerson and Frances Fitzgerald have applied in their later efforts says Beidler many of the hard won lessons of literary sense making learned in initial works attempting to come explicitly to terms with Vietnam Beidler argues that the Vietnam authors have done much to reenergize American creative writing and to lead it out of the poststructuralist impasse of texts as endless critiques of language representation and authority With their direct experience of a divisive and frustrating war a war not of their own making but of the making of politicians and experts a war of ancient animosities that cost nearly everything for those involved and settled virtually nothing these writers in many ways resemble the celebrated generation of poets and novelists who emerged from World War I Like their forebears of 1914 18 those of the Vietnam generation have undertaken a common project of cultural revision to re write America to create an art that even as it continues to acknowledge the war s painful memory projects that memory into new dimensions of mythic consciousness for other and better times Beidler fills his book with detailed illuminating analyses of the writers works which as he notes have moved across an almost infinite range of subject genre and mode From David Rabe for example have come innovative plays in which overt statements on the traumas of Vietnam The Basic Training of Pavlo Hummel Streamers have made way for

broader commentaries on sex power and violence in American life In the Boom Boom Room HurlyBurly Winstom Groom has moved from Better Times Than These a rather traditional even anachronistic war novel to further reaches of rambunctious humor in Forrest Gump And journalist Michael Herr whose Dispatches memorably defined a Vietnam landscape at once real and hallucinatory carried his vision into collaborations on the films Apocalypse Now and Full Metal Jacket As Beidler notes the immense price that Vietnam exacted from the American soul continues to draw a plethora of interpretations and depictions Vietnam authors remind us in Tim O Brien s words of the things they carried But as Beidler makes clear they now command us not only to remember but to imagine new possibilities as well *A Guide to Critical Reviews* James M.
