Gorbachev Yeltsin And Putin Political Leadership In Russias Transition

Eric A. Miller

Gorbachev Yeltsin And Putin Political Leadership In Russias Transition:

Gorbachev, Yeltsin, and Putin Archie Brown, 2013-01-25 This volume analyzes various aspects of the political leadership during the collapse of the Soviet Union and formation of a new Russia Comparing the rule of Mikhail Gorbachev Boris Yeltsin and Vladimir Putin the book reflects upon their goals governing style and sources of influence as well as factors that influenced their activities and complicated them too Contents Introduction Archie Brown Transformational Leaders Compared Mikhail Gorbachev and Boris Yeltsin Archie Brown Evaluating Gorbachev and Yeltsin as Leaders George W Breslauer From Yeltsin to Putin The Evolution of Presidential Power Lilia Shevtsova Political Leadership and the Center Periphery Struggle Putin s Administrative Reforms Eugene Huskey Conclusion Lilia Shevtsova **Russian Politics Under**

Putin Cameron Ross, 2004-08-21 In March 2000 Vladimir Putin was elected President of the Russian Federation the largest country in the world In the space of just a few years Putin s radical reforms in the areas of domestic and foreign policy have made a major impact on Russian politics and society and we have witnessed a new orientation in Russia s external relations with the West But is Putin an authoritarian or a democrat Does his presidency signal a break with Russia s past or is he just another autocratic czar in modern clothing This is a lively comprehensive and highly accessible account of contemporary Russian politics There are fifteen chapters covering such key areas as leadership and regime change political parties and democratization economy and society regional politics the war in Chechnya and Russian foreign policy **Russia in the**

Twentieth Century David R. Marples, 2014-01-14 The history of Russia as the natural successor to the Soviet Union is of crucial importance to understanding why communism ultimately lost out to Western democracy and the free market system David Marples presents a balanced overview of 20th century Russian history and shows that although contemporary Russia has retained many of the practices and memories of the Soviet period it is not about to revert back to the Soviet example

The Decline of Regionalism in Putin's Russia J. Paul Goode, 2011-05-11 This book reassesses Putin s attempt to reverse the decentralization of power that characterised centre regional relations in the 1990s focusing on regional responses to Putin s federal reforms It explains the decline of regionalism after 2000 in terms of the dynamics of regional boundaries understood as the juridical boundaries which demarcate a region s territorial extent and its resources institutional boundaries that sustain regional differences and cultural boundaries that define the ethnic or technocratic principles on which a region could claim legitimate existence The book questions the conventional wisdom regarding the success of Putin s regime It shows how regional governors responded not by attempting to deflect the reforms with outright resistance but by mimicking Putin s centralisation of power at the regional level In turn this facilitated the homogenisation of regional political regimes and regional mergers The book demonstrates how the reordering of regions advanced sporadically how pockets of resistance persist and how the potential for the revival of regionalism continues Islam in Russia: The Politics of Identity and Security Shireen Hunter, 2016-09-16 This richly detailed study traces the shared history of Russia and

Islam in expanding compass from the Tatar civilization within the Russian heartland to the conquered territories of the Caucasus and Central Asia to the larger geopolitical and security context of contemporary Russia on the civilizational divide. The study's distinctive analytical drive stresses political and geopolitical relationships over time and into the very complicated present. Rich with insight, the book is also an incomparable source of factual information about Russia's Muslim populations, religious institutions, political organizations and ideological movements.

Poor Leadership and Bad Governance Ludger Helms, 2012-01-01. Leaders are not always heroes. Bad public leadership is a big problem. If we are serious about holding our public leaders to account, then we need to know why they were bad and why we supported them. Ludger Helms and his distinguished team tackle these difficult questions with sympathy, not cynicism. Their careful and insightful analysis alerts us to the dangers of venal and poorly performing leaders. R. A. W. Rhodes, University of Southampton, UK. Leadership and the lack of it is a central but underexplored issue in the study of contemporary politics. Ludger Helms is to be congratulated for bringing together a group of leading scholars to examine the relationship between leadership and governance. William E. Paterson, OBE, Aston Centre for Europe, UK. In leadership research, there is a long tradition of focusing attention on the great and successful leaders and more recently on issues of good governance. This study breaks new ground by looking systematically into the manifestations and causes of poor leadership and bad governance in some of the world's most powerful democracies. Focusing on the presidents and prime ministers of the G8: the United States, Canada, the United Kingdom, France, Germany, Italy, Russia, and Japan, it explores the complex relationship between weak and ineffective leadership, undemocratic leadership techniques, and bad policies from a broad comparative perspective. What makes leaders weak or bad in different contexts? What are the consequences of their actions and behaviour? And has there been any learning from negative experience? These questions are at the centre of this fascinating joint inquiry that involves a team of truly distinguished leadership scholars. This book will prove invaluable for scholars and students of leadership, political science, contemporary history, and related academic disciplines. Readers with a general interest in public affairs and political history will also find plenty to interest them.

To Balance or Not to Balance Eric A. Miller, 2017-03-02. With the collapse of the Soviet Union in 1991, fifteen newly independent states emerged from the imperial wreckage, some more ready than others to grasp their new-found independence. This book tackles the seminal question related to these broader developments: why did some states choose to align with Russia despite Moscow's overwhelming power advantage and recurrent neo-imperial ambitions? Eric A. Miller develops and tests a theoretical framework that extends traditional realist alignment theories to include domestic-level political and economic variables critical to the study of the Commonwealth of Independent States (CIS). Specifically, Miller argues that internal political threats to CIS leaders and the extent of a country's economic dependence on Russia were the most influential factors in determining alignments. The volume is designed to meet the need for a thorough theoretical and scholarly assessment of the international and domestic politics of CIS countries.

Russia—lost in Transition

Lilia Shevtsova, 2007 Russian history is first and foremost a history of personalized power As Russia startles the international community with its assertiveness and faces both parliamentary and presidential elections Lilia Shevtsova searches the histories of the Yeltsin and Putin regimes She explores within them conventional truths and myths about Russia paradoxes of Russian political development and Russia's role in the world Russia Lost in Transition discovers a logic of government in Russia a political regime and the type of capitalism that were formulated during the Yeltsin and Putin presidencies and will continue to dominate Russia's trajectory in the near term Looking forward as well as back Shevtsova speculates about the upcoming elections as well as the self-perpetuating system in place the legacies of Yeltsin and Putin and how it will dictate the immediate political future She also explores several scenarios for Russia's future over the next decade

Russia's Engagement with the West: Alexander J. Motyl, Blair A. Ruble, Lilia Shevtsova, 2016-07-22 The Putin and Bush presidencies the 9/11 attack and the war in Iraq have changed the dynamics of Russian-European-US relations and strained the Western alliance Featuring contributions by leading experts in the field this work is the first systematic effort to reassess the status of Russia's modernization efforts in this context Part I examines political economic legal and cultural developments in Russia for evidence of convergence with Western norms In Part II the contributors systematically analyze Russia's relations with the European Union Eastern Europe Central Asia and the United States in light of new security concerns and changing economic and power relationships

Politics in the Russian Regions G. Gill, 2007-06-28 This volume analyzes the changing power relations in the Russian regions and in their relationship with the centre It considers Russian federalism and the changes that Putin has introduced and the distribution of power at the regional level The result is a rich survey of the state of federal relations in Russia

Encyclopedia of the Cold War Ruud van Dijk, William Glenn Gray, Svetlana Savranskaya, Jeremi Suri, Qiang Zhai, 2013-05-13 Between 1945 and 1991 tension between the USA its allies and a group of nations led by the USSR dominated world politics This period was called the Cold War a conflict that stopped short of a full blown war Benefiting from the recent research of newly open archives the Encyclopedia of the Cold War discusses how this state of perpetual tensions arose developed and was resolved This work examines the military economic diplomatic and political evolution of the conflict as well as its impact on the different regions and cultures of the world Using a unique geopolitical approach that will present Russian perspectives and others the work covers all aspects of the Cold War from communism to nuclear escalation and from UFOs to red diaper babies highlighting its vast ranging and lasting impact on international relations as well as on daily life Although the work will focus on the 1945-1991 period it will explore the roots of the conflict starting with the formation of the Soviet state and its legacy to the present day

Transitional Justice and the Former Soviet Union Cynthia M. Horne, Lavinia Stan, 2018-02-22 In the twenty five years since the Soviet Union was dismantled the countries of the former Soviet Union have faced different circumstances and responded differently to the need to redress and acknowledge the communist past and the suffering of their people While some have adopted transitional

justice and accountability measures others have chosen to reject them these choices have directly affected state building and societal reconciliation efforts This is the most comprehensive account to date of post Soviet efforts to address distort ignore or recast the past through the use manipulation and obstruction of transitional justice measures and memory politics initiatives Editors Cynthia M Horne and Lavinia Stan have gathered contributions by top scholars in the field allowing the disparate post communist studies and transitional justice scholarly communities to come together and reflect on the past and its implications for the future of the region Globalization and Its Discontents Revisited Joseph E. Stiglitz,2017-11-28 An International Bestseller Accessible provocative and highly readable Alan Cowell New York Times In this crucial expansion and update of his landmark bestseller renowned economist and Nobel Prize winner Joseph E Stiglitz addresses globalization s new discontents in the United States and Europe Immediately upon publication *Globalization and Its Discontents* became a touchstone in the globalization debate by demonstrating how the International Monetary Fund other major institutions like the World Bank and global trade agreements have often harmed the developing nations they are supposedly helping Yet globalization today continues to be mismanaged and now the harms exemplified by the rampant inequality to which it has contributed have come home to roost in the United States and the rest of the developed world as well reflected in growing political unrest With a new introduction major new chapters on the new discontents the rise of Donald Trump and the new protectionist movement as well as a new afterword on the course of globalization since the book first appeared Stiglitz s powerful and prescient messages remain essential reading Parliamentary Power in Russia, 1994-2001 T. Troxel,2002-12-09 This book is the first study of the power of the Russian Parliament in the policy process from 1994 2001 within the context of executive legislative relations It challenges the widely held view that between 1994 and 2001 Russia had a presidential system with a strong authoritarian leader who ruled by decree and a weak parliament which did not have much power *Power and Policy in Putin's Russia* Richard Sakwa,2013-09-13 The volume provides a retrospective analysis of Putin s eight years as president between 2000 and 2008 An international group of leading specialists examine Putin s leadership in an informed and balanced manner The authors are drawn from Russia itself as well as from Europe America and Australasia Coverage includes general analysis of the Putin presidency the ideology underlying the thinking of the regime issues of institutional development including coverage of parties parliament and elections developments in the federal system corruption and changes in the configuration of the elite The impact of energy on changes in political economy provides the background to an assessment of Russia s re emergence as a great power in international affairs accompanied by analysis of the difficulties in Russia s relations with its former Soviet neighbours and the European Union The authors examine the interaction between power and policy and draw some conclusions about the dynamics of Putin s system of government and thus of the fate of Russia This book was published as a special issue of *Europe Asia Studies* **Putin's Virtual War** William Nester,2020-02-19 A look at the Russian leader s successful use of hard military and economic power

and soft psychological power through information warfare or fake news Vladimir Putin has tightly ruled Russia since 31 December 1999 and will firmly assert power from the Kremlin for the foreseeable future Many fear and loath him for his brutality for ordering opponents imprisoned on trumped up charges and even murdered Yet most Russians adore him for rebuilding the economy state authority and national pride Putin has mastered the art of power Depending on what is at stake that involves the deft wielding of appropriate or smart ingredients of hard physical power like armored divisions multinational corporations and assassins and soft psychological power like diplomats honey traps cyber trolls and fake news factories to defeat threats and seize opportunities Russian hackers penetrated the Democratic National Committee DNC and Hillary Clinton's campaign organization extracted tens of thousands of potentially embarrassing emails and posted them on WikiLeaks As the Kremlin's latest ruler Putin like most of his predecessors is as realistic as he is ruthless He knows the limits of Russian hard and soft power while constantly trying to expand them He is doing whatever he can to advance Russian national interests as he interprets them In Putin's mind Russia can rise only as far as the West can fall And on multiple fronts he is methodically advancing to those ends Putin's Virtual War reveals just how and why he does so and the dire consequences for America Europe and the world beyond The author has set out the dangers that Putin has brought to the world in a must read book *Firetrench* Russia Robert Service, 2003 The first history of modern Russia from 1991 to the present day by one of the leading historians of the 20th century USSR and Russia In 1991 in a huge experiment with a people and in a state of euphoria Boris Yeltsin abolished the USSR and recreated the Russian nation At the point of its declaration it was in a state of economic and social disarray and yet there were high hopes Hopes which have subsequently been dashed Robert Service brings to bear his vast knowledge of the people and the country to put the recent upheavals into context and he shows that not everything changed for the worst 1991 The Gorbachev years have allowed the Russian people to give a priority to living a private life and shutting the door on the state They could think what they liked They could enjoy intellectual and religious freedom and indulge in recreations their income would allow Gays and Lesbians could come out The Youth culture could finally be loosed from constraints This is a broad political social and cultural history of one of the newest nations ever to be formed **Russia's Federal Relations** Elena Chebankova, 2009-12-04 The development of centre regional relations has been at the forefront of Russian politics since the formation of the Russian state and numerous efforts have been made by the country's subsequent rulers to create a political model that would be suitable for the effective management of its vast territory and multiple nationalities This book examines the origins underlying foundations and dynamics of the federal reforms conducted by President Putin throughout the eight years of his presidency It offers a comprehensive analysis of the nature of Russia's federal relations during this period as well as an examination of factors that led to the development of the extant model of centre regional dialogue It discusses how and why the outcomes of most domestic reforms and policies significantly vary from the initial intentions envisaged by the federal centre and argues that despite a range of positive

developments the reforms resulted mainly in a redistribution of powers between the two levels of government and not in a fundamental rethinking of centre regional relations towards genuine federalism The Russian Democratic Party Yabloko David White,2006 Amid growing concern with President Putin s centralization and control this important volume examines the gradual electoral decline of Russia s leading liberal party the Yabloko Party It provides fascinating insights into the role of opposition the development of the party system and above all the quality of democracy in Russia under President Putin

Democratic Breakdown and the Decline of the Russian Military Zoltan Barany,2023-06-06 A rare behind the scenes look at Russian military politics Why have Russian generals acquired an important political position since the Soviet Union s collapse while at the same time the effectiveness of their forces has deteriorated Why have there been no radical defense reforms in Russia since the end of the cold war even though they were high on the agenda of the country s new president in 2000 Democratic Breakdown and the Decline of the Russian Military explains these puzzles as it paints a comprehensive portrait of Russian military politics Zoltan Barany identifies three formative moments that gave rise to the Russian dilemma The first was Gorbachev s decision to invite military participation in Soviet politics The second was when Yeltsin acquiesced to a new political system that gave generals a legitimate political presence The third was when Putin not only failed to press for needed military reforms but elevated numerous high ranking officers to prominent positions in the federal administration Included here are Barany s insightful analysis of crisis management following the sinking of the Kursk submarine a systematic comparison of the Soviet Russian armed forces in 1985 and the present and compelling accounts of the army s political role the elusive defense reform and the relationship between politicians and generals Barany offers a rare look at the world of contemporary military politics in an increasingly authoritarian state Destined to become a classic in post Soviet studies this book reminds us of the importance of the separation of powers as a means to safeguard democracy

Gorbachev Yeltsin And Putin Political Leadership In Russias Transition Introduction

In today's digital age, the availability of Gorbachev Yeltsin And Putin Political Leadership In Russias Transition books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Gorbachev Yeltsin And Putin Political Leadership In Russias Transition books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Gorbachev Yeltsin And Putin Political Leadership In Russias Transition books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Gorbachev Yeltsin And Putin Political Leadership In Russias Transition versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Gorbachev Yeltsin And Putin Political Leadership In Russias Transition books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Gorbachev Yeltsin And Putin Political Leadership In Russias Transition books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Gorbachev Yeltsin And Putin Political Leadership In Russias Transition books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Gorbachev Yeltsin And Putin Political Leadership In Russias Transition books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Gorbachev Yeltsin And Putin Political Leadership In Russias Transition books and manuals for download and embark on your journey of knowledge?

FAQs About Gorbachev Yeltsin And Putin Political Leadership In Russias Transition Books

What is a Gorbachev Yeltsin And Putin Political Leadership In Russias Transition PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Gorbachev Yeltsin And Putin Political Leadership In Russias Transition PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Gorbachev Yeltsin And Putin Political Leadership In Russias Transition PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Gorbachev Yeltsin And Putin Political Leadership In Russias Transition PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Gorbachev Yeltsin And Putin Political Leadership In Russias Transition PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any

free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
