Matthew had fallen for Georgia the moment he sat opposite her on a train Accidentally walking off with the wrong mobile phone gave him the ideal opportunity to see her again After her late husband had left her with a pile of debts Georgia had a phobia about having a man in her life Matthew Fraser might have been rich he might have been wonderful with her kids he might have continually come to her rescue But no she wouldn't be swayed she wouldn't let this man under her skin But Matthew was a patient man and equally determined The Vassar Miscellany Monthly ,1916 **The Last Witness** Kj Erickson, 2004-06-14

When a mercurial basketball star is accused of brutally murdering his wife Minneapolis police detective Mars Bahr and his partner Nettie Frisch seek to uncover a motive when the clues do not add up **Don't Stick to Sports** Derek Charles Catsam, 2023-10-11

A significant examination of how athletes have fought for inclusion and equality on and off the playing field despite calls for them to stick to sports The claim that sports are or ought to be apolitical has itself never been an apolitical position Rather it is a veiled attempt to control which politics are acceptable in the athletic realm a designation intricately linked to issues of race gender ethnicity and more In *Don't Stick to Sports* The American Athlete's Fight against Injustice Derek Charles Catsam carefully explores this disparity He looks at how throughout recent sports history in the United States minority athletes have had to fight every step of the way for their right to compete and how they continue to fight for equity today From African Americans and women to LGBTQ and religious minorities Catsam shows how these athletes have taken a stand to address the underlying injustices in sports and society despite being told it's not their place to do so While it's impossible for a single book to tell the entire history of exclusion in the sporting world *Don't Stick to Sports* looks at key moments from the World War I era to the present to shatter the myth of sports as a meritocracy of sports as equalizer highlighting the reality as something far more complicated of sports as a malleable world where exclusion and inclusion are rarely straight forward **The Soundies** Mark Cantor, 2023-04-19
