Harris, 1873 How is the Divinity of Jesus Depicted in the Gospels and Epistles? Thomas Whitelaw, 1883 **Gospel Figures in Art** Stefano Zuffi, 2003

[With the Text in the Revised Version] ... Thomas Whitelaw, 1888 *The Blessed Virgin Mary in England Vol. 1* Brother Anthony Josemaria Fti, 2008-11 O Blessed Confidence O Safe Refuge Mother of God and Our Mother St Anselm of Canterbury 1033-1109 Doctor of the Church What is not generally known and only infrequently studied is the role of Our Lady over the centuries as a catechist teacher of the faith in a very real sense primary teacher because she is Mother of God and Mother of the Church and faithful If any one factor might be singled out for the very high level of faith and religious practice in medieval merry England merry because Mary's dowry because consecrated to Mary as her possession and property it is this Marian catechesis Only when England deliberately rejected Mary did it cease to be the happy place it once was Unfortunately English colonization of other peoples took place only after the repudiation of Mary by England That is why this catechetical work is especially valuable for the faithful and those who are seeking faith in America and other English speaking cultures It will bring to their attention precisely what is central to catechetics and so often missing the presence of Mary Mother and Teacher It will make perfectly clear why we need not fewer Marian sanctuaries but many many more in all parts of the country where this quiet but so real and profound influence of the Marian principle of the Church will be felt at every level It is my prayer and hope that those who read and study this work will find the same inspiration and stimulus that I found in having the privilege to read the manuscript before publication We are much indebted to Brother Anthony Josemaria Pasquale a Franciscan Tertiary of the Immaculate and gifted scholar for the effort he has expended to find qualified contributors and to offer so well edited a book to the general public From the

Images of Christ in Genesis Volume Two Dr Meyer J Van Rensburg, 2014-07-29 Volume II is a follow up to Dr Meyer van Rensburg's best selling first volume under the same title. In the first volume images of Christ that appeared in the first ten chapters of Genesis were revealed to our view in order to show how God has been in control of the writing of the Scriptures from the very beginning. He is as vividly painted in Genesis as what He is in the Gospels. He is the Alfa and the Omega and He stands as clearly at the beginning of our world in the Garden of Eden in Genesis as He stands at the end in Revelation. The whole Bible is the revelation of Jesus Christ. Rev 1:1 He has first place in it. The history that is in the Bible is His story. In fact the whole of Genesis depicts Christ. The first two chapters which deal with the creation show us Christ the Creator and after that the Gospel story is depicted by the characters in the different chapters as each one shows us another aspect of the life of Christ setting out clearly the steps of redemption. In this new volume our journey through Genesis continues as the author shows us more images of Christ and thereby revealing how Jesus was already revealed in the first book of the Bible as the Baptiser with the Holy Spirit, God's Son, Our High Priest and King, The Living Word, the Heir of the World and the Well of Living Water. Genesis is often called the seed plot of the Bible and here we can see why one image of Christ after another emerges from the mists of antiquity as God's Spirit reveals them to us through Dr Meyer's penmanship. Each image is well researched but the author connects with the reader in a conversational style that shows his love for God and His Word as aspects of the Word that have seldom been seen or discussed are revealed.

The Ministry of the Word, Vol. 27, No. 10 Various Authors, 2023-12-16 This issue of The Ministry of the Word contains the nine messages of the international training for elders and responsible ones hosted by Living Stream Ministry in Manila, Philippines on October 5-7, 2023. The general subject of this series of messages is Living and Serving according to God's Economy concerning the Church. *The Second Epistle to the Corinthians* Murray J. Harris, 2005-01-01 The reputation of the NIGTC series is so outstanding that the appearance of each new volume is noteworthy. This book on 2 Corinthians is no exception. Master New Testament exegete Murray J. Harris has produced a superb commentary that analyzes the Greek text verse by verse against the backdrop of Paul's tumultuous relations with his converts at Corinth. Believing that Scripture cannot be understood theologically unless it has first been understood grammatically, Harris provides a careful thoroughgoing reading of the text of 2 Corinthians. He gives special attention to matters of translation, making regular references not only to the standard modern English translations but also to influential older versions such as The Twentieth Century New Testament and those by Weymouth, Moffatt and Goodspeed. His close attention to matters of textual criticism and grammar leads to discussions of the theology of 2 Corinthians that show the relevance of Paul's teaching to Christian living and church ministry. Other notable features of the book include a comprehensive introduction in which all the relevant literary and historical issues are discussed, an expanded paraphrase of the letter that conveniently shows Harris's decisions on exegetical issues and indicates

the flow of Paul's argument a chronology of the relations of Paul Timothy and Titus with the Corinthian church and an excursus on Paul's affliction in Asia 1811 and its influence on his outlook and theology Four Portraits, One Jesus Mark L. Strauss, 2011-03-01 To Christians worldwide the man Jesus of Nazareth is the centerpiece of history the object of faith hope and worship Even those who do not follow him admit the vast influence of his life For anyone interested in knowing more about Jesus study of the four biblical Gospels is essential Four Portraits One Jesus is a thorough yet accessible introduction to these documents and their subject the life and person of Jesus Like different artists rendering the same subject using different styles and points of view the Gospels paint four highly distinctive portraits of the same remarkable Jesus With clarity and insight Mark Strauss illuminates these four books first addressing their nature origin methods for study and historical religious and cultural backgrounds He then moves on to closer study of each narrative and its contribution to our understanding of Jesus investigating things such as plot characters and theme Finally he pulls it all together with a detailed examination of what the Gospels teach about Jesus ministry message death and resurrection with excursions into the quest for the historical Jesus and the historical reliability of the Gospels
