The Black Church and Hip Hop Culture Emmett G. Price III, 2011-11-10 Throughout the 1950s and 1960s the Black Church stood as the stronghold of the Black Community fighting

for equality and economic self sufficiency and challenging its body to be self determined and self aware Hip Hop Culture grew from disenfranchised urban youth who felt that they had no support system or resources Impassioned with the same urgent desires for survival and hope that their parents and grandparents had carried these youth forged their way from the bottom of America s belly one rhyme at a time For many young people Hip Hop Culture is a supplement or even an alternative to the weekly dose of Sunday morning faith In this collection of provocative essays leading thinkers preachers and scholars from around the country confront both the Black Church and the Hip Hop Generation to realize their shared responsibilities to one another and the greater society Arranged into three sections this volume addresses key issues in the debate between two of the most significant institutions of Black Culture The first part From Civil Rights to Hip Hop explores the transition from one generation to another through the transmission or lack thereof of legacy and heritage Part II Hip Hop Culture and the Black Church in Dialogue explores the numerous ways in which the conversation is already occurring from sermons to theoretical examinations and spiritual ponderings Part III Gospel Rap Holy Hip Hop and the Hip Hop Matrix clarifies the perspectives and insights of practitioners scholars and activists who explore various expressions of faith and the diversity of locations where these expressions take place In The Black Church and Hip Hop Culture pastors ministers theologians educators and laypersons wrestle with the duties of providing timely commentary critical analysis and in some cases practical strategies toward forgiveness healing restoration and reconciliation With inspiring reflections and empowering discourse this collection demonstrates why and how the Black Church must re engage in the lives of those who comprise the Hip Hop Generation

Political Melodies in the Pews? David L. Moody, 2012-09-27 In this fascinating study of contemporary Christian worshippers David L Moody analyzes Christian rap music against traditional Christian theology For many mixing the sanctified worship of God with music originating from unconsecrated avenues has become difficult to accept From the back alleys and streets of the hood to the club scene of urban America Christian rappers walk to a different beat than the preacher at the pulpit However similar to a street evangelist the Black Christian rapper is about singing praise to God and delivering the gospel message to his lost homies on the streets Moody examines the emergence of hip hop based ministries and their place among youth with the Black community

Noise and Spirit Anthony B. Pinn, 2003-11-01 Rap music is often seen as a Black secular response to pressing issues of our time Yet like spirituals the blues and gospel music rap has deep connections

to African American religious traditions **Noise and Spirit** explores the diverse religious dimensions of rap stemming from Islam including the Nation of Islam and Five Percent Nation Rastafarianism and Humanism as well as Christianity The volume examines rap s dialogue with religious traditions from the ways in which Islamic rap music is used as a method of religious and political instruction to the uses of both the blues and Black women s rap for considering the distinction between God and the Devil The first section explores rap s association with more easily recognizable religious traditions and communities such as Christianity and Islam The next presents discussions of rap and important spiritual considerations including on the topic of death The final unit wrestles with ways to theologize about the relationship between the sacred and the profane in rap

The Color of Sound John Burdick,2013-01-07 Throughout Brazil Afro Brazilians face widespread racial prejudice Many turn to religion with Afro Brazilians disproportionately represented among Protestants the fastest growing religious group in the country Officially Brazilian Protestants do not involve themselves in racial politics Behind the scenes however the community is deeply involved in the formation of different kinds of blackness and its engagement in racial politics is rooted in the major new cultural movement of black music In this highly original account anthropologist John Burdick explores the complex ideas about race racism and racial identity that have grown up among Afro Brazilians in the black music scene By immersing himself for nearly a year in the vibrant worlds of black gospel gospel rap and gospel samba Burdick pushes our understanding of racial identity and the social effects of music in new directions Delving into the everyday music making practices of these scenes Burdick shows how the creative process itself shapes how Afro Brazilian artists experience and understand their racial identities This deeply detailed engaging portrait challenges much of what we thought we knew about Brazil s Protestants provoking us to think in new ways about their role in their country s struggle to combat racism

The Cambridge Companion to Hip-Hop Justin A. Williams,2015-02-12 This Companion covers the hip hop elements methods of studying hip hop and case studies from Nerdcore to Turkish German and Japanese hip hop
