Gospel Of St Luke Penguin New Testament Commentaries:

The Gospel of St. Luke George Bradford Caird,1975 The Gospel of Saint Luke George Bradford Caird,1990 **The Gospel of St. Luke** George B. Caird,1974 Luke (Understanding the Bible Commentary Series) Craig A. Evans,2011-08-01 The Understanding the Bible Commentary Series helps readers navigate the strange and sometimes intimidating literary terrain of the Bible These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become transparent to contemporary readers The contributors tackle the task of interpretation using the full range of critical methodologies and practices yet they do so as people of faith who hold the text in the highest regard Pastors teachers and lay people alike will cherish the truth found in this commentary series A Critical Introduction to the New Testament Carl R. Holladay,2011-07-01 This book introduces the New Testament in two senses it not only provides basic literary and historical information on each of the twenty seven writings but also orients readers to the religious theological and ethical issues related to the message and meaning of Jesus Christ The overall goal is to help interested readers of the New Testament become informed responsible interpreters of these writings and thereby enrich their personal faith and understanding By giving special emphasis to how the New Testament has helped shape the church s identity and theological outlook throughout the centuries as well as the role it has played within the broader cultures of both East and West this introduction also seeks to assist readers in exercising creative informed leadership within their own communities of faith and in bringing a deeper understanding of early Christianity to their conversations with the wider public Along with separate chapters devoted to each New Testament writing there are chapters explaining how this collection of texts emerged as uniquely authoritative witnesses to the church s faith why they were recognized as canonical whereas other early Christian writings were not how the four canonical Gospels are related to one another including a discussion of the Synoptic Problem how the Jesus tradition his teachings stories from his ministry and the accounts of his suffering death and resurrection originated and developed into Gospels written in narrative form and how the Gospels relate to Jesus Christ as he was and is Also included is a chapter on the writings of Paul and how they emerged as a collection of authoritative texts for the church This chapter includes a discussion of ancient letter writing special considerations for interpreting the Pauline writings and Paul s decisive influence within the history of the church and western culture **The Gospel of St. Luke** ,1826 "The Poor, the Crippled, the Blind, and the Lame" Louise A. Gosbell,2018-08-03 The New Testament gospels feature numerous social exchanges between Jesus and people with various physical and sensory disabilities Despite this traditional biblical scholarship has not seen these people as agents in their own right but existing only to highlight the actions of Jesus as a miracle worker In this study Louise A Gosbell uses disability as a lens through which to explore a number of these passages anew Using the cultural model of disability as the theoretical basis she explores the way that the gospel writers as with other writers of the ancient world used the language of disability as a

means of understanding organising and interpreting the experiences of humanity Her investigation highlights the ways in which the gospel writers reinforce and reflect as well as subvert culturally driven constructions of disability in the ancient world

New Testament Books for Pastor and Teacher: Revised and Updated to 2002 Ralph P. Martin, 2002-07-23 Designed to serve as a companion volume to Brevard S Childs acclaimed Old Testament Books for Pastor and Teacher this convenient reference provides authoritative up to date listings of books in the New Testament field for those in the pastoral ministry as well as for teachers in churches colleges and seminaries Comprehensive in scope it considers basic exegetical tools translations dictionaries encyclopedias introductions histories theological reference works and commentaries Dr Martin gives priority to books in English although he cites exceptional works in German and French This practical book includes a basic list of what the author considers the most valuable current publications along with classic older volumes that should be the nucleus of a good New Testament library Containing a complete bibliography it will help readers of all denominations acquire the basic tools to understand and communicate the message of the New Testament

Deconstructing the New Testament Seeley, 2021-08-30 To deconstruct a text means to disassemble the various points of view contained within it and to let them stand fully exposed with all their own presuppositions When this is done the contours of these building blocks appear so different from one another that the structural unity of the text is called into question Biblical scholars will sense how close this process is to familiar methods of form and source criticism Without jargon this study sharpens and clarifies the analytical thrust behind such methods At the same time it offers a fresh rendering of redaction criticism inquiring after the often contradictory motives and historical circumstances influencing the evangelists This book thus provides an intriguing combination of the old and the new

The New Testament Writings James M. Efrid, 1980-01-01 The New Testament Writings is a simple and direct introduction to the New Testament Christians have a need and desire to comprehend the literature on which their faith is based James Efrid s book serves this need very well He presents the New Testament clearly and concisely in nontechnical language This is a valuable resource for education growth and faith

St. Luke's Missiology Harold E. Dollar, 1996-06-01 How the Gospel Won the World Luke s writings make up over one fourth of the New Testament Yet despite an array of research studies of Luke and Acts frequently miss the missiological contributions that Luke makes to the story of early Christianity Accordingly St Luke s Missiology explores many of the fundamental contributions of Luke s two volume work as he tells how a small Jewish sect became a worldwide movement in just one generation Although this work focuses on Acts part one discusses the essential unity of the two volumes Part two considers key events that shape the church s mission to the Gentiles The final section highlights several applications for missiological practice Luke narrates the history of the Christian movement from a divine perspective His story of how the gospel moves from the particular to the universal gives insight into the missiological dynamics of early Christianity and provides models for the church and missions today

Themes and Texts in Luke-Acts , 2023-11-20 Twenty three leading scholars interact in

this volume with Luke Acts They study a variety of themes and pericopes From Luke s view of money and property the relationship of tamid and eucharist to the reception of Luke Acts in Cyprian s work it brings new insights to the fore The essays on individual passages interact with the Jewish and pagan contexts of the work and approach their topics through several different methodological approaches Editors and authors offer this collection as a token of friendship and gratitude to Bart J Koet collected at the occasion of his retirement
