This fall, our Bible lessons follow the theme God Provides and remind us of the ways God meets our needs and of God's call to us to help those who lack life's essentials of food, water, and shelter. The writer of the teacher book is Clara Welch. Unit 1 Food: Scripture recognizes that hunger, famine,

and food insecurity make people vulnerable to a variety of threats It also testifies to God's generous provision of food for humans and wild creatures and to human responsibility to help those who are hungry and in need From God's provision of manna in the wilderness to divine provision during famine from Jesus feeding of crowds to his teaching of a new way of being with the poor and marginalized through table fellowship Scripture bears witness to God's graciousness and our responsibility as its recipients Bible lessons in this unit are based on Exodus 16 1 Kings 19 Mark 6 and Luke 14

**Spiritual Practice Feasting**

**Unit 2 Water** Like food insecurity water insecurity threatens human life and the earth's species of plants and animals Scripture uses the water motif in many ways Water is dangerous as it represents a metaphor for chaos historical enemies God's judgment devastation of drought stricken land and personal distress As well water is a gift from God for the flourishing of all creation refreshment for body and soul and source of eternal life embodied in Jesus Thirst for water and provision of water are metaphors for the human relationship with God Bible lessons in this unit are based on Genesis 21 Exodus 17 Psalm 42 John 7 and Matthew 25

**Spiritual Practice Creation Care**

**Unit 3 Shelter** In major cities and small towns across the country many people have lived experience with homelessness One of the major causes of homelessness is rooted in childhood trauma Mental illness sometimes stemming from such trauma is another contributing factor among others Exploring the theme of shelter in Scripture cannot find ancient analogies for what today is becoming a crisis compounded by economic and social vulnerabilities Even so we can imagine and extrapolate based on related themes and texts that the physical security of home is a relevant theological construct then as now Although various texts may make it easy to rush to focus our attention on spiritual shelter in God's presence those who experience such a home in God find resources to extend hospitality and care through various means with those who today are experiencing homelessness Bible lessons in this unit are based on Exodus 29 Psalm 27 Deuteronomy 8 and John 1

Jensen, 1990-08-14 This study guide to the Gospel of Matthew is part of a series that has enabled millions to effectively explore and understand God s eternal message and which continues to be the most widely used tool for Bible study today **The Gospel of Matthew** Carol Davis Younger, 2008 The Elephant in the Room Sadrail Saint-Ulysse PhD MDiv, 2022-04-12 I write this book to do something that most would consider unwise as a current employee of the Seventh day Adventist Church I call or appeal for systematic change change in policies that have kept the financial support from tithe and other sources to Adventist elementary and other sources to Adventist schools at minimal Please don t think of me as a brave one who dares to go where many have not gone before I am not I speak out because we need policy changes at every level Fairness is not giving everyone the same thing but to give each person what he or she needs to

succeed Many businesses are rethinking how to move forward post the pandemic We too as a church need to do the same In the Old Testament God instructed his people to pass on their faith to their children by intentionally teaching them God's statutes and commandments Deuteronomy 6:4-8 and Isaiah 54:13 Similarly the Christian Church receives its marching orders from Jesus in the Great Commission found in Matthew 28:16-20 Jesus directs the church to make disciples of all nations by baptizing and teaching Church schools are needed to partner with parents and the church as a whole to educate children Ellen G White cofounder of the Seventh day Adventist Church who earlier encouraged the Seventh day Church to focus on foreign missions stated in addressing church schools in the book Testimonies for the Church volume 6 that the children are not to be neglected She writes We cannot call ourselves true missionaries if we neglect those at our very doors who are at the most critical age and who need our aid to secure knowledge and experience that will fit them for the service of God Her solution to financing church schools is simple Let all share the expense Enrollment in Christian elementary and secondary schools have been dropping nationwide Many families in North America especially new immigrant families are not able to afford the tuition to send their children to church schools Several church schools have closed In this book Dr Sadrail Saint Ulysse an ordained minister and educator of the Seventh day Adventist Church addresses the challenges of operating Christian schools at the elementary and secondary levels after serving for nearly twenty five years as a pastor and educator with the hope that the burden of operating church schools can be shared by the entire church local state national and worldwide to alleviate this burden The book challenges parents teachers principals school boards church members and church leaders at every level to make the needed policy changes to ensure that church schools are financed in a sustainable manner
