Gospel Radicalism The Hard Sayings Of Jesus:

Gospel Radicalism Thaddée Matura, 1984 Gospel Radicalism Thaddée Matura, *Bart Ehrman Interpreted* Robert M. Price, 2018-04-24 Arguably no scholar in the 21st century has had more of an impact on public discussion and debate over the historical Jesus and the development of early Christianity than distinguished professor of religious studies Bart D Ehrman He has introduced many new readers to crucial questions of biblical criticism in a series of bestselling books In *Bart Ehrman Interpreted* theologian and writer Robert M Price evaluates Ehrman s body of work Taking a collegial approach and rejecting polemics Price defends Ehrman s writing against conservative attacks but also suggests a number of points at which Ehrman may be insufficiently or inconsistently critical No matter one s views toward Ehrman *Bart Ehrman Interpreted* will prompt much fruitful and positive discussion of his important work and of the popular and scholarly debates that surround it A Concert of Charisms Paul Kevin Hennessy, 1997 Essays that take various approaches to the tensions that have arisen since Vatican II concerning the original mission and charisms of a religious order and today s actual situations of living within a parish **Radical Philosophy of Life** Ernst Baasland, 2021-01-13 The Sermon on the Mount never ceases to challenge readers in every generation New methods and new insights into new surroundings have to be applied to the most influential speech ever given In this study Ernst Baasland takes a fresh look at the history of research done on it both on its broad influence and on the variety of interpretations The historical questions are seen from new perspectives Is orality the key to a better understanding To what extent can we reconstruct a pre text and the question of authenticity be answered These questions are seen through historiographical lenses The author argues in favour of a universal addressee and maintains that the speech contains radical philosophical thinking The first audience consisted of Jews and the religiously based understanding of life is conceived within Judaism However its ethics of wisdom is developed in a Hellenistic setting and provides a radical philosophy of life Aspects of Pentecostal Christianity in Zimbabwe Lovemore Togarasei, 2018-07-13 This edited book offers an engaging portrait into a vital religious movement inside this southern Africa country It tells the story of a community of faith that is often overlooked in the region The authors include leading scholars of religion theology and politics from Botswana and Zimbabwe The insights they present will help readers understand the place of Pentecostal Christianity in this land of many religions The chapters detail a history of the movement from its inception to the present Chapters focus on specific Pentecostal churches general doctrine of the movement and the movement s contribution to the country The writing is deeply informed and features deep historical theological and sociological analysis throughout Readers will also learn about the socio political and economic relevance of the faith in Zimbabwe as well as the theoretical and methodological implications raised by the Pentecostalisation of society The volume will serve as a resource book both for teaching and for those doing research on various aspects of the Zimbabwean society past present and future It will be a good resource for those in schools and university and college departments of religious studies theology history politics sociology

social anthropology and related studies Over and above academic and research readers the book will also be very useful to government policy makers non governmental organizations and civic societies who have the Church as an important stakeholder **Kierkegaard for the Church** Ronald F. Marshall,2013-08-30 Most of what is written on Kierkegaard today is for the college classroom and academic conferences The guiding question of this book is that if Kierkegaard s words about Christianity are true how do they change the way we learn and practice the Christian faith today This book is an answer to that question It does not enter into an extended critical discussion over the truth of Kierkegaard s ideas Instead it just believes what Kierkegaard said and runs with it It does that by showing how his ideas change our understanding of Christian identity suffering and illness worship and preaching the Bible baptism prayer marriage and divorce criticism and the Christian minister Interspersed are many quotations from Martin Luther whose thought significantly shaped Kierkegaard s At the end of the book is a hefty collection of sermons to show how all of this can be preached in the church What Kierkegaard for the Church adds to our understanding of Kierkegaard is the place of the church in his thought Because of his criticisms of the Danish state church and his stress on the need for the single individual to appropriate Christian teachings it could be imagined that he rejected the church But that would be to throw the baby out with the bath The fact is that Kierkegaard remained a loyal son of the church even while he attacked it And he did this only so he could strengthen what he loved

The Sermon on the Mount Roland H. Worth,1997 Roland Worth s study of Jesus Sermon on the Mount traces the roots of Jesus teaching to the precepts of the Torah and Prophets This is a comprehensive work for those who seek a deeper knowledge of the Bible *Christian Approaches to Poverty* David T. Williams,2001-10 It is a sad fact that the majority of the world s people still lives in poverty with all the problems of hunger and disease that goes with it What should Christians do about this Various things have been tried all with their own advantages and problems Here is an overview of these approaches and a suggestion for a synthesis based on Christian teachings **Sanctified Sexuality** Sandra Glahn,C. story of Jesus as manifesto of radical discipleship **Have This Mind** David Williams, 2007-08 This is an impressive in depth study of the concept of kenosis and its relation to Christian Theology That concept self emptying is central to a deep ethically related approach to understanding foundational religious themes so this volume is a very welcome contribution to the understanding of theology George Ellis professor of Mathematics University of Cape Town Through a deep and sound exegesis of the passage the writer takes the reader through several aspects of our daily life that has to be affected by the kenosis Seen through the lens of kenosis human rights ethics ministry towards the poor and all the social struggles of our time are brought to light and given a new and constructive dimension Dr Lubunga w Ehusha Evangelical Seminary of Southern Africa I would agree wholeheartedly with you when you point out that His kenosis should be the model and the motivation for Christian ethics The importance of this practical result of the kenosis can hardly be over emphasized especially in Christian South Africa Professor emeritus Deon Thom well informed broadly based strongly argued responsible in terms of conclusions an overall laudable piece of research I highly appreciate both the exegetical and the systematic aspects of the presentation You have a definite ability to draw lines together into an overall view That is Systematic Theology at its best Professor Adrio K nig formerly head of Systematic Theology at the University of South Africa The Charismatic Structure of the Church Michael McGuckian S.J., 2021-04-23 This book is a thorough analysis and interpretation of chapters 5 and 6 of Lumen gentium It begins with The Long Background the story of the religious life from the beginning focussing on the tension between the Religious and the Secular clergy that became the dominant source of tension in the debate over these two chapters at the Council There were irresolvable differences between the two groups at the Council and the documents had to leave them unsettled The book sets out to solve the problems on the universal call to holiness the theology of the religious life and the charismatic structure of the Church which refers to the role of the Bishops and the Secular Clergy in the pursuit of holiness in the Church The answers came as complete surprise to the author and propose novel approaches to all three issues **The Point of View** Robert L. Perkins, 2010 Kierkegaard wrote four reflections on his literary production On My Work as an Author The Point of View for My Work as an Author The Single Individual and Armed Neutrality but he published only the first The essays in this volume of International Kierkegaard Commentary examine these writings not just as a public report to history but also as a revelation of Kierkegaard s deepest understanding of himself as an author **In Search of Health and Wealth** Hermen Kroesbergen, 2014-01-07 The prosperity gospel is very influential in Africa in Pentecostal churches and in Reformed churches But what is the prosperity gospel Where did it originate Is it biblically sound How should we evaluate the prosperity gospel Does it represent a wrong way of looking for health and wealth or can we learn something from it In this book the authors provide an analysis from different perspectives on the highly debated topic of the prosperity gospel It is intended to be accessible and helpful both to academic colleagues and to ordinary ministers Most of the authors are lecturers at Justo Mwale Theological University College in Lusaka Zambia

Together with Prof L Togarasei from the University of Botswana they use their theological skills to examine and assess this important topic from an African and Reformed perspective The articles in this book will help anyone who wants to deeply explore and evaluate the intriguing phenomenon of the prosperity gospel in Africa Book jacket Eschatology Hans Schwarz,2000-09-22 Schwarz guides readers through the range of opinions on the subject of the future telling how readers understanding of eschatology has developed and laying out the factors that must be considered when speaking meaningfully about the Christian hope in the 21st century He surveys the teachings about the future in the Old and New Testaments and addresses the views of Christian and secular thinkers throughout history Missionalia ,1985 **Elenchus of Biblica** ,1990 **You Shall Not Bow Down and Serve Them** Richard A. Horsley,2021-11-17 Economic justice is the core of the biblical tradition In this innovative volume Horsley takes the reader deep in examining how Jesus economic project was shaped in opposition to the Roman imperial order and how Paul s development of communities around the Mediterranean was part of creating an alternative society among those subject to Rome This analysis sets in the foreground the fundamental issues of food security access to resources and liberation These movements emerged in opposition to Roman violence political oppression and economic extraction This ultimately leads the author to consider how these issues are more relevant than ever in confronting the most recent form of empire in global capitalism While we are not living in a Roman imperial world we must strategize to confront the ways in which the new empire uses violence oppression and extraction to the detriment of the vast majority in the world but especially those who are most vulnerable Engage/social Action ,1984
