

The background of the book cover is a classical painting depicting Jesus and his twelve apostles on the Sea of Galilee. Jesus, dressed in a blue robe, stands on the shore, gesturing towards the sea. Several small wooden boats with disciples inside are scattered across the water. In the foreground, a woman in a blue and red robe sits on a rocky shore, looking down. The sky is overcast, and distant hills are visible on the horizon.

Skinner,2009-06-01 The hypothesis that the Fourth Gospel is a theological response to the Gospel of Thomas is a recent development in the study of the New Testament and early Christianity Assuming an early date for the Gospel of Thomas the proponents of this hypothesis argue that the supposed polemical presentation of Thomas in the Fourth Gospel is evidence of a conflict between the early communities associated respectively with John and Thomas However a detailed narrative study reveals that the Fourth Gospel portrays a host of characters disciples and non disciples in an equally unflattering light where an understanding of Jesus s origins message and mission are concerned The present study attempts to demonstrate that the Fourth Gospel s presentation of Thomas is part and parcel of its treatment of uncomprehending characters If this thesis is correct it poses a significant challenge to the assumption that the Fourth Gospel contains a polemic against Thomas or that it was written in response to the Gospel of Thomas or the community associated with Thomas

 presents a compelling eyewitness account of Jesus' mission It is written in simple language but consists of a rich profusion of  
 ideas and themes that challenge the most learned scholars and can overwhelm the understanding of ordinary readers  
 Surprisingly part of this complexity arises from the observation that the text appears to be rich in chiasmic structures This  
 literary form is a Jewish style of writing in which a series of ideas or themes is developed and then repeated in reverse order  
 This pattern may be represented as for example A B C D D C B A When the reader takes cognizance of this literary  
 convention the multiplicity of ideas falls into a more tractable pattern This book is written by a layman for other ordinary  
 readers in the hope that it will facilitate understanding of this Gospel in church and home study groups Bible classes and
