

A scenic landscape featuring a winding road through a valley with steep mountains and a lake at sunset. The sky is a mix of orange, yellow, and blue, with some clouds catching the low sun. The mountains are dark and rugged, with some greenery visible on the lower slopes. The road is paved and curves through the valley, leading towards a body of water in the distance.

To get to that next level, you gotta learn to  
get comfortable being uncomfortable.

**Upstream** John McMillan, 2015-08-31 UPSTREAM is a powerful portrait of life in Britain and Ireland during the last quarter of the 20th century acutely observed by aspiring author Jim Mitchell as he and wife Bridget settle into a new life in the West Country The story centres on the married life of Jim and Bridget the births of their children and the flow of people and events around them as they make the spiritual journey upstream to the source of life and meaning against an increasingly unfeeling commercialised world where the individual has come to count less and less Story of the Sand Mark Pickering, 2007-12 After spending months fighting in the sands of Iraq Sampson Roy has returned to his home in Georgia a changed man Gone is the patriotic optimist who went off to serve his country and in his stead is a bitter resentful pessimist Sampson is unable to cope with society and the government could care less about his problems His psychological damage from what he witnessed in the Middle East has ruined his marriage and left him a pariah to those he formerly loved He retreats to the woods drowning his demons in a bottle of liquor But in the midst of his suffering a ghost appears named David Tree a dead soldier from the Iraqi conflict who has been unable to pass to the other side David brings unexpected news Sampson s wife is pregnant With a new burst of hope Sampson cautiously leaves the woods But his alcoholism and self destructive nature brand him an outcast and his wife refuses to reconcile Deep in his heart Sampson wants to raise his newborn child and return to the life he once had Finding the courage to conquer his addiction may be too much yet he has to try even if it ultimately destroys him Haunting and powerful Story of the Sand is a searing portrait of war s destruction of the individual soldier So Close to Being the Sh\*t, Y'all Don't Even Know Retta, 2018-05-29 In her hilarious book of essays
