Nelson McAlexander, 2011-12-05

Chris was there and witnessed my transformation into a much more dynamic person than I had ever been in my entire life After experiencing this transformation seeing me in such a good mood all the time and noticing how focused I was Chris asked me if he could read my father's book I told him I didn't think he'd be very interested in it and that there was more to it than just reading the book I explained a little bit about it and was greatly surprised that he still wanted to read it Truthfully I didn't take him seriously at all I figured he would skim through the book and more than likely hand it back to me the same day and tell me he was good on that After just one month Chris was not Chris anymore at least not the same person I had come to know for the past four years He had completely transformed into a very new and improved Chris right before my very eyes much like I must have done as he watched my transformation He was much more mature in touch with his spirituality and most noticeably he was thinking and acting instead of feeling and reacting That was about seven months ago and to see Chris get angry now is a very rare occurrence Now even when something happens that rubs him the wrong way it's no big deal because he's able to react calmly and think things through Chris sees the bigger picture now and realizes what is really important isn't behind these prison walls He now realizes that what's most important is what's happening out there with our families and loved ones in the free world Now we both understand and immensely appreciate the fact that *The Key to Stay Free* empowers us and gives our lives more meaning than we've ever had before Now we are confident that we can create a life worth living once we are released from prison Now we without doubt know we will no longer be sacrificial pawns and that we can and will be kings in the game of life **Gluten-Free, Hassle Free** Marlisa Brown, 2009-11-23
