**Edgar Cayce's ESP** Kevin J. Todeschi, 2008-08-14 One of the most remarkable stories of the twentieth century about one of the most incredible men who ever lived Edgar Cayce a Kentucky farm boy whose psychic powers healed thousands touched countless lives and inspired the dawn of the New Age For more than forty years Edgar Cayce 1877 1945 the sleeping prophet regularly exhibited an astonishing psychic ability From an altered state he was able to read minds and souls diagnose thousands of illnesses successfully prescribe remedies see into the past and the future and tap into a source of universal knowledge where such information resides a source Cayce said is available to us all For anyone who has heard of Edgar Cayce and his name is familiar to millions here is a concise reliable immensely readable introduction to his life work and message In Edgar Cayce s ESP his story is told by writer Kevin Todeschi an authority on Cayce s work and the director of the popular educational organization Cayce founded the Association for Research and Enlightenment Drawing upon more than 14 000 case histories and readings Todeschi presents a wealth of proof of Cayce s psychic abilities and the effects they had on the lives of his contemporaries Todeschi focuses especially on the character of the modest generous Cayce himself a man who started out in life as a sensitive Bible reading Kentucky farm boy and who grew up to become an unlikely prophet of the New Age and the most famous psychic in American history **Edgar Cayce's ESP.** Kevin J. Paul Johnson, 2016-03-22 Edgar Cayce widely acclaimed clairvoyant and forerunner of the holistic health movement is revealed here as a pivotal figure in the transition from the esoteric and metaphysical movements of the late nineteenth century to the New Age movement This book describes and evaluates his psychic readings more than 14 000 trance discourses that address medical theological historical and psychological concerns raised by thousands of inquirers The author evaluates evidence for and against Cayce s reliability in the subject areas emphasized by the readings Cayce s medical and psychological advice is shown to be well ahead of his time in many respects and his spiritual teachings are appraised as a reconciliation of Protestant mysticism with New Thought and Theosophy Although the medical readings provide intriguing evidence for Cayce s ESP his clairvoyant time travel illustrates the fallibility of information derived through hypnotic trance The author contends that the contents of the readings reflect the knowledge and interests of their recipients as much as Cayce s personal opinions and beliefs This is the first book to focus solely on appraising the entire body of the Cayce readings from a scholarly perspective **Edgar Cayce on the Akashic Records** Kevin J.
