Eddie On The Warpath:

Eddie on the Warpath Elizabeth C. Spykman, 1970-03-01 **Eddie on the Warpath** Elizabeth Choate Spykman, 1966 Eddie is eleven in 1913 and in a continual state of rebellion Terrible, Horrible Eddie E. C. Spykman, 2012-12-12 Even if she has lived ten terrible years terrible horrible Eddie really isn't terrible and horrible at all but rather one of the most charming and engaging and gutsy children in American children's fiction It's true of course that Eddie does get into and not always without it being at least a little bit her fault some pretty terrible and horrible scrapes and that sometimes she will sulk but these are the kinds of things that happen to the kid sister of two snooty boys and one fancy pants girl not to mention having to deal with the distraction of two half sisters who are no better than babies Eddie's father and stepmother have headed to Europe for the summer and though the rest of the family can look forward to good times at a beloved summer house on the sea Eddie still has to fight to hold her own Adventures on a sailboat and on an island and the advent of a major hurricane and what Eddie takes to be a military coup all come to a climax when Eddie solves the mystery of who stole the neighbor's jewels and saves at least for one day the day This story of Eddie and the other members of the Cares family may remind readers of Arthur Ransome's Swallows and Amazons except that Eddie has an experimental even anarchic streak that is all her terrible horrible own *Adolescent Female Portraits in the American Novel 1961-1981* Jane S. Bakerman, Mary Jean DeMarr, 2019-10-01 Originally published in 1983 this title lists and annotates reference sources which will help readers select primary materials useful in studies of the literary portraits of women and their societal roles The years 1961 to 1981 were set as boundaries for this volume because the author's initial research revealed that a twenty year span was a manageable unit because the novels published between those dates yielded abundant materials for such a reference work and because significant changes in the way portraits of adolescent females were being drawn took place during the period for example sex role stereotyping became a shade less prevalent young women's sexuality was discussed more forthrightly and some topics such as single women's pregnancies and lesbianism were treated more overtly sometimes less judgementally Cataloging Children's Books Florence E.
