

EDITING YOUR NEWSLETTER

—JAMES H. HARRIS

When you edit a newsletter, you are not only editing the content, but you are also editing the design. The design of a newsletter is as important as the content. A well-designed newsletter is more likely to be read and shared than a poorly designed one. The design of a newsletter should be simple, clean, and easy to read. It should use a variety of fonts, colors, and images to make it visually appealing. The design should also be consistent throughout the newsletter, so that it looks like a single, cohesive piece of work. The design of a newsletter is a reflection of the editor's attention to detail and their commitment to quality. A well-designed newsletter is a sign of a professional editor and a high-quality publication.
