Governing the Child in the New Millennium Kenneth Hultqvist, Gunilla Dahlberg, 2013-01-11 The contributors and editors of this volume begin from the assumption that the changes wrought by globalization compel us to reflect upon the status of the child and childhood at the end of the 20th century Their essays consider what techniques and technologies are used to govern the child what role the family plays what is global and what is culturally specific in the changes and how the subject is constructed and construed

Working with Children and Young People Lindsay O'Dell, Stephen Leverett, 2018-06-26 Traditional ways of working with children and young people are giving way to new practices Where practice solutions previously tended to be imposed on children and young people professionals are now looking to engage them as vital partners in actively negotiated and co constructed models of working Combining social ecological and social constructionist perspectives drawn from a range of academic and practice disciplines Working with Children and Young People explores and interrogates how ideas about childhood policy and professional discourses change over time and in turn affect the issues faced by young people and their families In particular this important text Develops a critical and reflective approach to knowledge and practice explored vividly across a wide range of practice settings Presents a new vision where the focus is centrally on the child or young person and where dominant ideas are challenged Explores how key concerns such as professional power and children s rights embed themselves in working relationships Working with Children and Young People provides an innovative critical framework for all students on vocational and professional courses involving work with children and young people It also offers illuminating reading for practitioners working with the 0 18 age group whether in the statutory voluntary or private sectors

Approaches to Gender and Spoken Classroom Discourse Helen Sauntson, 2015-12-11 Gender is a hotly debated topic in the field of education The role that language plays in educational contexts especially in the classroom has long been acknowledged Innovatively combining approaches in the analysis of classroom discourse this book offers rich empirical findings as well as being theoretically interesting and valuable

Undoing Privilege Professor Bob Pease, 2010-08-12 For every group that is oppressed another group is privileged In Undoing Privilege Bob Pease argues that privilege as the other side of oppression has received insufficient attention in both critical theories and in the practices of social change As a result dominant groups have been allowed to reinforce their dominance Undoing Privilege explores the main sites of privilege from Western dominance class elitism and white and patriarchal privilege to the less examined sites of heterosexual and able bodied privilege Pease points out that while the vast

majority of people may be oppressed on one level many are also privileged on another He also demonstrates how members of privileged groups can engage critically with their own dominant position and explores the potential and limitations of them becoming allies against oppression and their own unearned privilege This is an essential book for all who are concerned about developing theories and practices for a socially just world **Developing Effective Part-time Teachers in Higher Education** Fran Beaton, Amanda Gilbert, 2013 This book drawing on the voices of part time teachers and the expertise of those who support them considers whole institution strategies to promote individual and collective professional development Amanda Gilbert from Victoria University of Wellington New Zealand

Education Into The 21st Century Dangerous Terrain For Women: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have charmed audiences this year. Education Into The 21st Century Dangerous Terrain For Women : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Education Into The 21st Century Dangerous Terrain For Women : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
