underrepresentation of African Americans in colleges and universities It highlights local state and national consequences facing America s educational future as the country becomes more diverse It also examines the challenges that face Blacks trying to get into the academy and issues that confront those who penetrate the system Whether intentional or embedded in the minds of those in American culture the results of Black underrepresentation in educational settings often carry devastating impacts on African American learners It affects learners in diverse educational settings as well as the career choices and opportunities for minorities who need them most An increase in African American professors would not only add

diversity on college campuses but also bring a unique perspective to the academy a situation that would be beneficial to all

Social and Emotional Aspects of Learning Sanna Jarvela, 2011-01-07 Social and emotional aspects of schooling and the learning environment can dramatically affect one's attention, understanding, and memory for learning. This topic has been of increasing interest in both psychology and education, leading to an entire section being devoted to it in the third edition of the International Encyclopedia of Education. Thirty-three articles from the Encyclopedia form this concise reference, which focuses on such topics as social and emotional development, anxiety in schools, effects of mood on motivation, peer learning, and friendship, and social networks. Saves researchers time in summarizing in one place what is otherwise an interdisciplinary field in cognitive psychology, personality, sociology, and education. Level of presentation focuses on critical research, leaving out the extraneous and focusing on need-to-know information. Contains contributions from top international researchers in the field. Makes MRW content affordable to individual researchers. **National Library of Medicine Catalog** National Library of Medicine (U.S.), 1966
