Bible Records of Suffolk and Nansemond County, Virginia Fillmore Norfleet, 2009-06 Inasmuch as Nansemond County's official records were totally destroyed by fires in 1734 1779 and 1866 the work at hand originally published in 1963 and itself now quite scarce represents a valiant effort to reconstruct something of Nansemond's genealogical heritage from the records of its surrounding counties The core of the book consists of the contents of nearly 100 Bibles arranged alphabetically according to the surname of the book's owner and thereunder in progressions of marriages births and deaths In all more than 1 000 mostly 18th and 19th century inhabitants of Suffolk and Nansemond are here rescued from obscurity and further made accessible in the index to Bible records at the back Also includes transcriptions of marriage records and several other miscellaneous lists **Webster's Royal red book; or, Court and fashionable register** Webster A. and co, 1847

Anxious Days and Tearful Nights Martha Hanna,2020-10-22 What was it like to be a soldier s wife in Canada during the First World War More than 80 000 Canadian women were married to men who left home to fight in the war and its effects on their lives were transformative and often traumatic Yet the everyday struggles of Canadian war wives lived far from the battlefields of France have remained in the shadows of historical memory Anxious Days and Tearful Nights highlights how Canadian women s experiences of wartime marital separation resembled and differed from those of their European counterparts Drawing on the letters of married couples separated by wartime service and the military service records of hundreds of Canadian soldiers Martha Hanna reveals how couples used correspondence to maintain the routine and the affection of domestic life She explores how women managed households and budgets how those with children coped with the challenges of what we today would call single parenthood and when and why some war wives chose to relocate to Britain to be nearer to their husbands More than anything else the life of a war wife especially a war wife separated from her husband for years on end was marked and marred by unrelieved psychological stress Through this close personal lens Hanna reveals a broader picture of how war s effects persist across time and space **The Peerage of the British Empire as at Present Existing** Edmund Lodge,1856 *Native American in the Land of the Shogun* Frederik L. Schodt,2013-06-15 The true story of a half Chinook half Scot adventurer who entered feudal Japan in 1848 and helped pave the way for its modernization How Japan after 250 years of self imposed isolation began the process of modernization is in part the story of Ranald MacDonald In 1848 this half Scot half Chinook adventurer from the Pacific Northwest landed on an island off Hokkaido Although promptly arrested and imprisoned for seven months in Nagasaki the intelligent well educated MacDonald fascinated the Japanese and became one of their first teachers of English and Western ways Based on primary research in Japan and North America this book chronicles the events leading to MacDonald s journey and his later struggle to obtain recognition at home
