research Every entry stands alone on its merits and is accessed alphabetically yet each is fully cross referenced and attached to one of seven thematic categories whose wholes far exceed the sum of their parts *Roughing it in the Suburbs* Valerie J. Korinek, 2000-12-15 Originally launched in 1928 by the 1950s and 1960s nearly two million readers every month sampled Chatelaine magazine's eclectic mixture of traditional and surprisingly unconventional articles and editorials At a time when the American women's magazine market began to flounder thanks to the advent of television Chatelaine's subscriptions expanded as did the lively debate between its pages Why In this exhilarating study of Canada's foremost women's publication in the 50s and 60s Valerie Korinek shows that while the magazine was certainly filled with advertisements that promoted domestic perfection through the endless expansion of consumer spending a number of its sections including fiction features letters and the editor's column began to contain material that subversively complicated the simple consumer recipes for affluent domesticity Articles on abortion spousal abuse and poverty proliferated alongside explicitly feminist editorials It was a potent mixture and the mail poured in both praising and criticizing the new directions at the magazine It was Chatelaine's highly interactive and participatory nature that encouraged what Korinek calls a community of readers readers that in their very response to the magazine led to its success Chatelaine did not cling to the stereotypical images of the era instead it forged ahead providing women with a variety of images ideas and critiques of women's role in society Chatelaine's dissemination of feminist ideas laid the foundation for feminism in Canada in the 1970s and after Comprehensive fascinating and full of lively debate and history *Roughing it in the Suburbs* provides a cultural study that weaves together a history of Chatelaine's producer's consumers and text It illustrates how the structure of the magazine's production and the composition of its editorial and business offices allowed for feminist material to infiltrate a mass market women's monthly In doing so it offers a detailed analysis of the times the issues and the national cross section of the women and sometimes men who participated in the success of a Canadian cultural landmark Winner of the Laura Jamieson Prize awarded by the Canadian Research Institute for the Advancement of Women **The Value of History** Paul F Frank Beisbier, 2019-07-09 The work that is about to be surveyed by the reader represents decades of painstaking work to provide him or her with the most positive and freshest perspective with respect to what the discipline of history teaches him or her to improve the quality of not only his or her daily life but also those of all other whom he or she comes into contact with This task is accomplished when he or she becomes aware of the fact that the greatest possible good can only be achieved through the promotion of the adequate satisfaction of the greatest number of needs of the maximum number of people within the context of its being mutually beneficial to all parties involved Furthermore the reader of this volume gains the widest perspective on how the above assertion is valid for and has a positive impact on all fields of human endeavor individual human lives and human institutions since the content of historical subject matter consists of nothing less than the past and present record of all the events and developments of the above entities Thus since everything that people learn is through past and present

experiences history teaches them everything and nothing can be perceived outside the framework of its subject matter To present a graphic example to the reader of this volume to clearly illustrate the truth and validity of the above points the author has used the comparison and contrast of the values beliefs and cultures of two very different societies in variant times and places to do so The retrograde valuing of power and wealth placed on them by a small elite in European medieval society resulting in limited social mobility in a primarily agrarian society is in marked contrast to the emphasis on limited individual freedom within the framework of the rule of law as espoused by modern America Within the latter framework it was possible to develop a modern industrial and postindustrial community to provide individual social advancement through educational and employment opportunities as well as through the availability of quality health care Finally through all that has been stated above it is worthwhile for society at large as well as the academic community to peruse through the contents of this volume in order to accomplish the above objectives

Exposing Lifestyle Television Gareth Palmer, 2016-04-15 In the last decade lifestyle television has become one of the most dominant television genres with certain shows now global brands with formats exploited by producers all over the world What unites these programmes is their belief that the human subject has a flexible malleable identity that can be changed within television friendly frameworks In contrast to the talk shows of the eighties and nineties where modest transformation was discussed as an ideal advances in technology combined with changing tastes and demands of viewers have created an appetite for dramatic transformations This volume presents case studies from across the lifestyle genre considering a variety of themes but with a shared understanding of the self as an evolving project driven by enterprise Written by an international team of scholars the collection will appeal to sociologists of culture and consumption as well as to scholars of media studies and media production throughout the world

Extreme Domesticity Susan Fraiman, 2017-01-10 Domesticity gets a bad rap We associate it with stasis bourgeois accumulation banality and conservative family values Yet in *Extreme Domesticity* Susan Fraiman reminds us that keeping house is just as likely to involve dislocation economic insecurity creative improvisation and queered notions of family Her book links terms often seen as antithetical domestic knowledge coinciding with female masculinity feminism and divorce domestic routines elaborated in the context of Victorian poverty twentieth century immigration and new millennial homelessness Far from being exclusively middle class domestic concerns are shown to be all the more urgent and ongoing when shelter is precarious Fraiman's reformulation frees domesticity from associations with conformity and sentimentality Ranging across periods and genres and diversifying the archive of domestic depictions Fraiman's readings include novels by Elizabeth Gaskell Sandra Cisneros Jamaica Kincaid Leslie Feinberg and Lois Ann Yamanaka Edith Wharton's classic decorating guide popular women's magazines and ethnographic studies of homeless subcultures Recognizing the labor and know how needed to produce the space we call home *Extreme Domesticity* vindicates domestic practices and appreciates their centrality to everyday life At the same time it remains well aware of domesticity's dark side Neither a romance of artisanal housewifery nor an apology for

conservative notions of home Extreme Domesticity stresses the heterogeneity of households and probes the multiplicity of domestic meanings

Reading Programs for Young Adults Martha Seif Simpson, 2015-11-16 School and public libraries often provide programs and activities for children in preschool through the sixth grade but there is little available to young adults For them libraries become a place for work the place to research an assignment or find a book for a report but the thought of the library as a place for enjoyment is lost So how do librarians recapture the interest of teenagers This just might be the answer Here you will find theme based units such as Cartoon Cavalcade Log On at the Library Go in Style Cruising the Mall Space Shots Teens on TV and 44 others that are designed for young adults Each includes a display idea suggestions for local sponsorship of prizes a program game to encourage participation 10 theme related activities curriculum tie in activities sample questions for use in trivia games or scavenger hunts ideas for activity sheets a bibliography of related works and a list of theme related films The units are highly flexible allowing any public or school library to adapt them to their particular needs
