

Our Safeguarding Children Framework

Organisation

We design our organisation to make it simple and natural for people to act to safeguard children from abuse, neglect and harm.

Culture

We champion and model a culture that promotes and protects the safety and wellbeing of children in everything we do.

Together we prevent, identify and respond to child abuse, neglect and harm.

Capability

We build people's capabilities to create environments that put the safety and wellbeing of all children first.

Child & Family Voice

We intentionally listen to children and families so they feel safe to share their experiences and views.

Good Practice In Child Safety

Sue Kennedy

Good Practice In Child Safety:

Good Practice in Child Safety Angela Dare, Margaret O'Donovan, 2000 Addresses the full range of safety related topics and includes chapters on accidents and accident prevention safety in relation to child development the maintenance of a healthy and safe environment responses to child abuse and an introduction to first aid Also includes activities and quick check questions to reinforce the learning process Written specifically for the student and practitioner **Good Practice in Child Protection** Christine Hobart, Jill Frankel, 1998 Good Practice in Child Care offers comprehensive guidance for all early years workers and students The text includes coverage of legal issues examines the roles of various child protection agencies and gives advice on how to work with parents *Good Practice in Safeguarding Children* Hilary Owen, Liz Hughes, 2009-01-15 This book draws together contributors experiences of working with safeguarding children on a broad range of issues including neglect trafficked children parents with learning difficulties and child protection supervision The contributors discuss current dilemmas in safeguarding children work and provide models of good practice *Handbook for Child Protection Practice* Howard Dubowitz, Diane DePanfilis, 1999-12-22 The timing of the publication with the revised Working Together guidelines could not be more advantageous This book is a unique and important contribution to child care literature No agency should be without Child Abuse Review Professionals concerned with the protection of children face many challenges This work demands knowledge from several disciplines a wide variety of skills and interdisciplinary collaboration The editors Howard Dubowitz a pediatrician and Diane DePanfilis a social worker together with over 70 experts in this field offer what is known about how best to work with maltreated children and their families in a very practical concise and user friendly way Structured to follow the life of a case from the time a report of child maltreatment is made through the various pathways in the child protection system this edited volume synthesizes the best practice principles for responding to reports of child abuse and neglect engaging children and other family members in intervention developing cross cultural practice competencies assessing risk evaluating safety and conducting family assessments defining outcomes and planning intervention evaluating risk reduction and making permanency decisions and discusses the unique legal medical ethical and other practice issues that work in the child protection field involves Professionals facing tough dilemmas in practice should find valuable guidance in these pages *Developing Good Practice in Children's Services* Vicky White, John Harris, 2004-07-15 Vicky White and John Harris have drawn together the contributors experiences of working with children in a broad range of settings emphasising ways in which the current context of change can be used as an opportunity to enhance the quality of service provision and achieve better outcomes for children and their families **Domestic Violence and Child Protection** Nicky Stanley, Cathy Humphreys, 2006-01-30 How do you respond simultaneously to the needs of adults experiencing domestic violence and the specific needs of their children Domestic Violence and Child Protection explores the challenges of working effectively in this complex field and offers positive models for practice *Good Practice in the Early*

Years Janet Kay,2012-03-29 An accessible comprehensive guide to good practice in the early years for all early years and childcare students and practitioners **Best Practice in Social Work** Karen Jones,Barry Cooper,Harry Ferguson,2007-11-27 Social work has laboured too long under a deficit model that focuses on failings and problems of practice Emphasising best practice strengths and collaborative partnership this ambitious book seeks to redress the balance Undergraduate and post qualifying social work students alike will find it a useful resource Supervision as Collaboration in the Human Services Michael J. Austin,Karen Hopkins,2004-03-23 The authors have assembled some of the finest minds in the field of supervision studies to produce Supervision as Collaboration in the Human Services Key aspects of a learning organization and the process of organizational learning are explored across the various human services social mental health health and aging making this an essential core text for graduate and undergraduate students of social work and counselling as well as for human services supervisors and practitioners *Good Practice in Child Care Cases* The Law Society,2015-10-13 This is the official guide to best practice in public law Children Act proceedings It will be used by solicitors acting in public law Children Act cases whether they are acting for a local authority a parent or a child It provides guidance on the conduct of cases and the particular approach required Good Practice in Child Care Cases is essential reading for less experienced practitioners but will also be a useful aide memoire for more experienced practitioners The Law Society has collaborated with The Association of Lawyers for Children The Child Care Law Joint Liaison Group and the Solicitors Family Law Association The Child Protection Handbook Kate Wilson,Adrian L. James,2007-04-26 This title is directed primarily towards health care professionals outside of the United States The new edition of this popular handbook gives an authoritative informative and accessible account of key areas of child protection practice Covering research policy and practice it is relevant to all professionals working in child care No other book on child protection offers such comprehensive coverage of policy and practice It provides research findings in all areas of child abuse latest policies and indications of good practice plus specialist chapters for different professionals Chapters have been contributed by known experts in the field both distinguished academics and practitioners By combining the latest factual information with sophisticated analysis it is the ideal course text for child protection programmes as well as meeting the needs of more experienced practitioners academics and trainers Practical Examines the issues grounded in reality and therefore gives the reader confidence in practice coupled with an understanding of the responsibilities of colleagues in other professions Comprehensive Covers a broad review of what constitutes child abuse and characteristics of the abused and the abusers medical social and legal management of the process of protection the actions involved in intervention and training and new directions for research and practice Authoritative Contributors are senior professionals known nationally and internationally for their specific expertise in this area Research based All books should be but amongst the professionals most closely involved in child protection the heavy workload often means there is little time to catch up on and assimilate up to date

research fully This book offers a through guide to what research and policy initiatives can give to the practice of the reader new chapters addressing issues of culture and parenting each chapter contains key messages for practitioners key websites have been listed a website on Evolve with supplementary material Understanding Child and Family Welfare Marie Connolly,Kate Morris,2011-12-19 How do workers around the world balance risk and support to ensure that their practice meets the ever changing needs of children and their families Renowned authors Marie Connolly and Kate Morris join forces to explore the frameworks and ideas which have shaped contemporary child and family welfare practice From definitions of abuse to assessment models they examine the knowledge base which lies at the heart of safe and effective statutory practice with children and families Drawing on examples from a range of English speaking jurisdictions the book explores How to engage families including participatory approaches and the role of the Family Group Conference How to create positive out of home environments for children discussing foster kinship and residential care and adoption settings How to improve professional decision making through supervision and other organizational frameworks At a time when child welfare systems across the globe are undergoing review Understanding Child and Family Welfare provides a timely exploration of the reform agendas which will shape future practice With sharp analytic insights into the difficulties and dilemmas which characterize this field it is fundamental reading for all students studying child and family support or child protection as well as for practitioners working within children and family settings Child protection Siobhan E. Laird,2013-03-06 This much needed book analyses public inquiries and serious case reviews to reveal the dynamics of hostility and aggression which contribute to the failure to protect children Child Protection and Family Support Nigel Parton,2002-09-09 First published in 1997 Routledge is an imprint of Taylor Francis an informa company **International Encyclopedia of Public Health** William C Cockerham,2016-10-06 International Encyclopedia of Public Health Second Edition Seven Volume Set is an authoritative and comprehensive guide to the major issues challenges methods and approaches of global public health Taking a multidisciplinary approach this new edition combines complementary scientific fields of inquiry linking biomedical research with the social and life sciences to address the three major themes of public health research disease health processes and disciplines This book helps readers solve real world problems in global and local health through a multidisciplinary and comprehensive approach Covering all dimensions of the field from the details of specific diseases to the organization of social insurance agencies the articles included cover the fundamental research areas of health promotion economics and epidemiology as well as specific diseases such as cancer cardiovascular diseases diabetes and reproductive health Additional articles on the history of public health global issues research priorities and health and human rights make this work an indispensable resource for students health researchers and practitioners alike Provides the most comprehensive high level internationally focused reference work available on public health Presents an invaluable resource for both researchers familiar with the field and non experts requiring easy to find relevant global information and a greater understanding of the

wider issues Contains interdisciplinary coverage across all aspects of public health Incorporates biomedical and health social science issues and perspectives Includes an international focus with contributions from global domain experts providing a complete picture of public health issues **The Child Protection Handbook E-Book** Rachael Clawson, Lisa

Warwick, Rachel Fyson, 2024-01-03 The Child Protection Handbook explains how to recognise abuse and protect at risk children for those working with children and young people aged under 18 including in social care education health services and sport and leisure settings The book has been fully updated to incorporate the impact of new technology as well as current legal and policy frameworks that govern statutory child protection intervention in the UK It considers all aspects of child protection including organisational issues children's rights the needs of those from diverse backgrounds and the impacts of the Covid 19 pandemic on child protection work With accessible up to date information presented in an easy to navigate format the Handbook is ideal for all busy practitioners wanting to improve outcomes for children young people and their families Fully updated since the last edition in 2007 perfect for all those working with children and young people Easy to navigate and locate information suitable as a reference book for busy practitioners Illustrative boxes in each chapter drawing on practice case examples to highlight current issues and dilemmas All concepts explained in straightforward jargon free language Reflective points to encourage the reader to think about their own practice and apply new knowledge Key questions for students and teachers to check understanding and to explore concepts further Links to resources and further reading Supporting social workers in child protection practice Poverty and child protection New forms of child abuse including technology assisted child sexual abuse child sexual exploitation gangs and criminal exploitation radicalisation forced marriage of children and young people female genital mutilation and faith based abuse Focus on teenagers including child protection in adolescence leaving care safeguarding and children in conflict with the law children and young people who have displayed harmful sexual behaviour and child to parent violence and abuse Safeguarding in sport and leisure Working with parents at risk of repeat removal of their children through care proceedings Developing Child-Centred Practice for Safeguarding and Child Protection Rachel Buckler, 2023-02-28 Placing children at the centre of safeguarding principles and practices is vital for ensuring the best child protection This essential resource provides early years practitioners with all that they need to be confident and competent as they fulfil their roles and obligations to safeguard and protect children Exploring the main factors that impact on the lives of young children in the current safeguarding climate this book is a starting point for understanding the risks and categories of abuse and neglect Grounded in best practice it gives practitioners encouragement and advice to help shape and drive practice forward with child centred motives practices and perspectives The book offers Insights into the current safeguarding climate backed by practical examples An introduction to managing the different safeguarding challenges faced by early years professionals Methods for contextualising these for children in the early years Guidance on supporting vulnerable children their families and other

agencies working alongside them Reflections case studies and a wide range of example scenarios Voices and insights from across the sector woven throughout for a holistic understanding of safeguarding With accessible chapters drawing on best practice from across the sector at every level this is a valuable resource for all those working in the early years whether just starting out or highly experienced in the field Seeing the Child in Child Protection Social Work Sue Kennedy, 2019-12-19 Recent Serious Case Reviews into child deaths have concluded that social workers attention is drawn away from the child by demands placed on them by the adults organisational structures and systems This book repositions social work thinking and practice by placing the child s lived experience at the centre of its illustrative examples and cases **Safeguarding and Child Protection for Nurses, Midwives and Health Visitors: A Practical Guide** Catherine Powell, 2015-11-16 Nurses midwives and health visitors have a statutory duty to safeguard and promote the welfare of children and young people In this clear and invaluable guide Catherine Powell focuses on the practical aspects of safeguarding and how healthcare professionals should respond to safeguarding children concerns Key features of the book include Setting out the roles and responsibilities of nurses midwives and health visitors working in a range of settings including those working primarily with adult clients Realistic case scenarios of physical emotional and sexual abuse and neglect covering infants toddlers school age children and adolescents Explanations of inter agency working and the roles of other key players such as children s social care the police and education services Markers of Good Practice boxes highlighting lessons for practice The book covers the full spectrum of safeguarding children work from prevention and early help through to statutory intervention and serious case review New for this expanded Second Edition are A new chapter on child sexual exploitation and more consideration of risks for children online More detail on the links between domestic violence and abuse and child maltreatment New Child Perspective boxes to encourage further thought about the voice and role of the child Safeguarding and Child Protection for Nurses Midwives and Health Visitors 2e is an essential tool for students and will be invaluable for practicing healthcare staff who face an array of complex and sensitive issues in the field of safeguarding This is a very well structured and comprehensive book To have a book such as this to use as a professional companion not only to refer to and check facts or underpin decision making but also to expand professional knowledge will lead to improved safeguarding practices prompt appropriate interventions and better outcomes for children and families Dr Cheryll Adams Director Institute of Health Visiting UK This is a very readable and practical book which achieves its aim to raise awareness about good safeguarding and child protection practice The book clearly reflects the author s expertise and knowledge in safeguarding and child protection practice The range of case examples practice points and new for this second edition a child s perspective box brings the text to life and focuses the reader s attention on practice needing to be child centred This is an excellent book which I thoroughly recommend Jane V Appleton Professor in Primary and Community Care Faculty of Health and Life Sciences at Oxford Brookes University UK This comprehensive text providing the link between legislation policy research and

practice will enable students and practitioners to expand their knowledge and understanding of the key issues involved in safeguarding children and young people Fiona Smith Professional Lead for Children and Young People's Nursing Royal College of Nursing UK Child Protection Practice Harry Ferguson, 2017-09-16 How do practitioners step up to the professional challenge of keeping children safe Leading author Harry Ferguson draws on his own research personal experience and real life case studies to challenge the way we think about child protection This highly original and engaging book captures the daily reality of practice within life's most personal spaces and offers a rare insight into the lived experience of working with vulnerable children their parents and other carers An inspiring declaration of the need for a new intimate approach to child protection this ground breaking book lays the foundations of skilful authoritative practice It is a must for Social Work student and practitioners within this challenging field
