psychological boundaries existing between citizens belonging to different communities Among the characters featuring in films set in Belfast Berlin and Beirut we may count dangerous gunmen prisoners wives soldiers and snipers but also comic Stasi members punk aficionados and fake nuns The various characters contribute to the creation of a multifaceted image of city limits in troubled times *The Good, the Bad and the Ugly* Richard Taylor,2024-08-01 The book takes 45 chart toppers and writes their story The music the lyrics the artists producers and writers are all discussed as well as any side or back stories to do with the single For example when and how Release Me by Engelbert Humperdinck kept Penny Lane Strawberry Fields by The Beatles off the top spot in 1967 is discussed in Chapter 4 Another example of a you could not make it up back story might be the that the writer of Grandad by Clive Dunn from 1971and a light novelty No 1 song was also the bass player on Lou Reed s hit single Walk On The Wildside a heavy weight dose of art rock with dubious lyrics which came out in November 1972 Perhaps you could not get too more contrasting songs for Herbie Flowers to be involved in I picked 45 singles as that was the rpm speed of a typical 7 inches vinyl single in the 1960s With regard to time span I took one No 1 single per year between 1964 and 2006 that would be 43 songs and I added in two bonus tracks to make 45 This was when Top Of The Pops was running on BBC TV and seemed an appropriated year span for the book I wanted to mix up the No 1 singles not just to get the best selling or most popular song of a particular year I chose pop songs novelty songs children s songs and all time classics to have a range of mixed up No 1s This is hopefully a particular unique selling point of the book where I compare and contrast the mixed up No 1s and try to explain just how for example Mr Blobby by Mr Blobby would be an unlikely No 1 in 1993 while an all time classic Love Is All Around from Wet Wet Wet could be an obvious No 1 in 1994 Just how is it that these two songs could both be chart toppers in the same chart It is certainly a bit weird and this is something I try to explain in the book I have taken as the book title the 1968 chart topper which I write about in Chapter 5 The Good The Bad and the Ugly is indicative of the mixed up good bad or ugly range of the 45 songs which I pick I never specifically say which song is in which category That is for the reader to decide I also do not want to be rude about any song If it got to No 1 it certainly deserves respect In the Book End Outro I do a Top of the Pops No 45 to No 1 countdown as a worst to best list of my chosen songs which should promote some debate and perhaps even disagreement With that in mind despite his best attempt at coercion and bribery towards me you will be pleased to know or perhaps saddened that Mr Blobby is not my overall No 1 But what is well Read on and enjoy the book *The Beach Boys* , **Lazrus at the Gate** Robert Reaves,2021-04-28 The book is about my experiences as I grew from twenty two to seventy one years of age I have one full brother and two half brothers and a half sister I grew up in South California I got saved in 1972 Even though my progress was slow I eventually found peace but was troubled by my stress disorder Finally got some help with stress and sleeplessness I got counseling too and almost killed him because he was not trauma trained and he messed with my emotions I quit counseling and started to self medicate I spent two weeks in the hospital getting my meds in order Then Pamela had her

stroke at the end of July 2019 My granddaughter believes that God took her but I know it was the devil The cover picture is of a serene place
