My Lockdown Cookbook Colin Skinner,2023-11-10 Want to learn to cook Don t know where or how to start Try this I am not a professional chef I am just a food lover who has learnt to cook good home food It s taken me a while perfecting each of these dishes to the point that they are repeatable So if I can cook these recipes then so can you You do not need a huge kitchen with endless cupboards full of stuff Just a few essential things like a pestle and mortar and a spice grinder together they make most curries reasonably quick and easy to make a selection of good sharp knives and a sharpener a few metal oven trays a few oven dishes and a few pots and pans I have always enjoyed good food and was fortunate to work in a job that kept me fit Home cooking has always been a normal everyday pleasure and even after a long days work I would happily come home and cook a stir fry for the family in 30 minutes Not only did it help clear my mind it also provided a healthy meal after a tough day When the pandemic struck I was home like everyone else So the radio was a constant companion during the long quiet days Slowly listening to talk shows I realised how difficult it was for many families How do we feed the family every day three times a day The need to learn to cook became a serious one Home cooked food is also healthy food so to begin to learn has that added bonus too So with encouragement from family and friends I decided to write *My Lockdown Cookbook* hoping I might help just some of those families who wanted to learn but did not know how to If I can help some people in some small way to begin to enjoy home cooked food then I will be very happy **Edible Asian Garden** Rosalind Creasy,2015-11-24
