Phillips, 2016-10-04 A half century after the War on Poverty of Lyndon Johnson poverty rates remain unchanged Scholars have advanced polarized theories about the causes of poverty as politicians have debated how or if to fund welfare programs Yet little research has been conducted where the poor are provided a platform to speak on their own behalf While it is important to understand how economic systems affect the homeless it is equally important to learn about the day to day realities faced by those who rely on public policies for

survival Drawing on the author's experience working in the homeless community this book presents some of their stories of loss abuse addiction and marginalization through interviews observations and ethnographic research How Neighborhoods Make Us Sick Veronica Squires, Breanna Lathrop, 2019-01-15 Our neighborhoods are literally making us sick If we truly want to love our neighbors we must work to create social environments in which people can be healthy While working in community redevelopment and treating uninsured families Veronica Squires and Breanna Lathrop discovered that we can promote the health of our communities by addressing social determinants that facilitate healing in under resourced neighborhoods

Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986, 1987 *The Dead Cure* Woody Tanger, 1996 Dying on the 7th Floor is a way of life There are no reprieves or last minute commutations The 7th Floor in Boston's famed Charles River Medical Centre has 50 beds and a rotating community of patients whose ultimate fate is certain but whose experimental treatments have headlines medical textbooks The 7th Floor is a curious place it's where those who should die are cured and those hunting for cures are dying Welcome to The Dead Cure

The Look of Catholics Anthony Burke Smith, 2010-06-22 When John Kennedy ran for president some Americans thought a Catholic couldn't or shouldn't win the White House Credit Bing Crosby among others that he did For much of American history Catholics perceived allegiance to an international church centered in Rome excluded them from full membership in society a prejudice as strong as those against blacks and Jews Now Anthony Burke Smith shows how the intersection of the mass media and the visually rich culture of Catholicism changed that Protestant perception and in the process changed American culture Smith examines depictions of and by Catholics in American popular culture during the critical period between the Great Depression and the height of the Cold War He surveys the popular films television and photojournalism of the era that reimagined Catholicism as an important even attractive element of American life to reveal the deeply political and social meanings of the Catholic presence in popular culture Hollywood played a big part in this midcentury Catholicization of the American imagination and Smith showcases the talents of Catholics who made major contributions to cinema Leo McCarey's Oscar winning film *Going My Way* starring the soothing and Catholic Bing Crosby turned the Catholic parish into a vehicle for American dreams while Pat O'Brien and Spencer Tracy portrayed heroic priests who championed the underclass in some of the era's biggest hits And even while a filmmaker like John Ford rarely focused on clerics and the Church Smith reveals how his films gave a distinctly ethnic Catholic accent to his cinematic depictions of American community Smith also looks at the efforts of Henry Luce's influential *Life* magazine to harness Catholicism to a postwar vision of middle class prosperity and cultural consensus And he considers the unexpected success of Bishop Fulton J Sheen's prime time television show *Life is Worth Living* in the 1950s which offered a Catholic message that spoke to the anxieties of Cold War audiences Revealing images of orthodox belief whose sharpest edges had been softened to suggest tolerance and goodwill Smith shows how such representations overturned stereotypes of Catholics as un-American Spanning

a time when hot and cold wars challenged Americans traditional assumptions about national identity and purpose his book conveys the visual style moral confidence and international character of Catholicism that gave it the cultural authority to represent America

Works,2006 **Collections & Recollections** Donna Snethun,2015-06-26 My raison d'être This is a book of my memoirs but it

is more than that It goes back in time to include stories I have heard since childhood about my forefathers and mothers I am grateful that the writing bug has been so strong in the Falla family I look on whatever writing abilities I have as a gift To me

it is more than a hobby it's a passion The histories that were written by Uncle Art Falla in the history books of Kinsella and District Hoofprints and Homesteading and of Sedgewick and District Sedgewick Sentinel were invaluable in my writing of

this book Picking the brains of family members sisters cousins and Aunt Thordis Taylor have been of enormous assistance

While our memories of any particular incident may not be exactly the same the sharing and the jogging has made the

memories I have come alive In 2005 my original book Collections Recollections 1st edition was printed It is a book of

memoirs I have received wonderful feedback on that book and hope that you enjoy this book as much as did the readers of

Collections Recollections 1st edition I have lived too interesting a life to not leave this legacy It seemed only right to include

stories about my childrens paternal ancestors the Snethuns and the Sathers After having been married to Andy Snethun for

fifty five years in many ways these families seem like my family I hope you enjoy following the unique lives of several

generations of these pioneer families I have really tried to write only stories that very few of my readers will be able to say

That happened to me too Scattered throughout my memoirs you will find poetry all of which are my originals Sometimes I

write poetry like I talk not knowing when to quit I write poetry as long as the thoughts keep coming I try to control myself

when I talk so I don't do the same
