the margins of commercial success Sister Fern shared a backing band with Elvis Presley and wrote songs recorded by Johnny Cash and many other artists In her touching memoir *The Glory Road* Anita Faye Garner re creates her remarkable upbringing The story begins with Ray s attempts to settle down and the family s inevitable return to the gospel circuit and concludes with Sister Fern s brushes with stardom and the family s journey west to California where they finally landed with some unexpected detours along the way *The Glory Road* carries readers back to the 1950s South and the intersections of faith and family at the very roots of American popular music For more information about the book and Anita Garner visit www.thegloryroad.com or www.anitagarner.com
