The relationship between horses and humans is an ancient profound and complex one. For millennia horses provided the strength and speed that humans lacked. How we travelled, farmed and fought was dictated by the needs of this extraordinary animal. And then suddenly in the 20th century the links were broken and the millions of horses that shared our existence almost vanished, eking out a marginal existence on race tracks and pony clubs. Farewell to the Horse is an engaging brilliantly written and moving discussion of what horses once meant to us. Cities, farmland, entire industries were once shaped as much by the needs of horses as humans. The intervention of horses was fundamental in countless historical events. They were sculpted, painted, cherished, admired, they were thrashed, abused and exposed to terrible danger. From the Roman Empire to the Napoleonic Empire every world conqueror needed to be shown on a horse. Tolstoy once reckoned that he had cumulatively spent some nine years of his life on horseback. Ulrich Raulff's book, a bestseller in Germany, is a superb monument to the endlessly various creature who has so often shared and shaped our fate. Meet the wily pensioner trying to pass an eye exam to continue her career as a dangerous driver, the lonely widower who needs someone to take the time to listen, the stressed teenager coping with an eating disorder and the frightened elderly woman who doesn't want to leave her home. Discover what it means to be the one people bring their problems to. Problems that are not always medical but still require discretion, kindness and a willingness to provide a listening ear to those on the tricky journey of life. **Doctors and Patients - An Anthology** Cecil Helman, 2018-12-14 This is a wonderful collection of stories about doctors and patients including many by world famous authors who were also physicians such as Oliver Sacks, Anton Chekhov and Arthur Conan Doyle. Always moving, entertaining and informative and sometimes troubling, these remarkable stories will appeal to anyone with an interest in health, illness and medical care. They also provide essential core material for those studying doctor-patient communication, the literature of medicine and medical humanities. readers     **A Writer of Our Time** Joshua Sperling, 2018-11-20 This engaging intellectual biography traces Berger's creative evolution, analyzes highlights from his vast output, and situates them within his empathetic Marxism. *The New Yorker*. The first intellectual biography of the life and work of John Berger. John Berger was one of the most influential thinkers and writers of postwar Europe. As a novelist, he won the Booker prize in 1972, donating half his prize money to the Black Panthers. As a TV presenter, he changed the way we looked at art with *Ways of Seeing*. As a storyteller and political activist, he defended the rights and dignity of workers, migrants, and the oppressed around the world. Far from dragging politics into art, he wrote in 1953, art has dragged me into politics. He remained a revolutionary up to his death in January 2017. Built around a series of watersheds, at once personal and historical, *A Writer of Our Time* traces Berger's development from his roots as a postwar art student and polemicist in the Cold War battles of the 1950s, London, through the heady days of the 1960s, when the revolutions were not only political but sexual and artistic, to Berger's reinvention as a rural storyteller and the long hangover that followed the rise and fall of the New Left. Drawing on first-hand unpublished interviews and archival sources, only recently made available, Joshua Sperling digs beneath the moments of controversy to reveal a figure of remarkable complexity and resilience. The portrait that emerges is of a cultural innovator as celebrated as he was often misunderstood, and a writer increasingly driven as much by what he loved as by what he opposed. *A Writer of Our Time* brings the many faces of John Berger together, repatriating one of our great minds to the intellectual dramas of his and our time.     **The Doctor in Literature: Private life** Solomon Posen, 2005 This is a structured, annotated, and indexed anthology dealing with the personality and the behaviour of doctors and doctor-patient relationships, ideal for medical humanities courses.     The Spectator, 1851     **Doubly Erased** Allison E. Carey, 2023-07-01 The first book of its kind, *Doubly Erased* is a comprehensive study of the rich tradition of LGBTQ themes and characters in Appalachian novels, memoirs, poetry, drama, and film. Appalachia has long been seen as homogenous and tradition-bound. Allison E. Carey helps to remedy this misunderstanding, arguing that it has led to LGBTQ Appalachian authors being doubly erased, routinely overlooked both within United States literature because they are Appalachian and within the Appalachian literary tradition because they are queer. In exploring motifs of visibility, silence, storytelling, home, food, and more, Carey brings the full significance and range of LGBTQ Appalachian literature into relief. Dorothy Allison's *Bastard Out of Carolina* and Alison Bechdel's *Fun Home* are considered alongside works by Maggie Anderson, Doris Davenport, Jeff Mann, Lisa Alther, Julia Watts Fenton, Johnson, and Silas House, as well as filmmaker Beth Stephens. While primarily focused on 1976 to 2020, *Doubly Erased* also looks back to the region's literary elders, thoughtfully mapping the place of sexuality in the lives and works of George Scarborough, Byron Herbert Reece, and James Still.     *California Southland*, 1926     **A Romance of Canvas Town And Other Stories** Rolf Boldrewood, 2021-11-09 Rolf Boldrewood's *A Romance of Canvas Town and Other Stories* embodies the vivid essence of Australian life in the late 19th century. Through a series of dynamic narratives, Boldrewood intricately interweaves themes of

resilience adventure and romance against the backdrop of the canvas towns that sprang up during the gold rush era His literary style marked by rich descriptive prose and an authentic dialect immerses readers in the evolving social fabric of Australia skillfully portraying the hopes and struggles of its characters within a distinctive literary context Each story serves as a portal inviting readers to explore the rugged landscapes and the complexity of human desires amid the burgeoning Australian identity Rolf Boldrewood born Thomas Alexander Browne draws heavily on his own experiences as a settler and gold miner imbuing this collection with a sincere authenticity His unique perspective as a participant in the very society he depicts reveals a nuanced understanding of the socio economic dynamics of the era enhancing the relatability and depth of his characters Boldrewood s penchant for storytelling was likely influenced by the oral traditions of the time contributing to a narrative richness that still resonates today For readers interested in historical fiction that captures the spirit of early Australian society *A Romance of Canvas Town and Other Stories* is a commendable choice It not only provides an engaging portrayal of life during a pivotal period in Australia s evolution but also invites reflections on the universal themes of ambition love and belonging This collection serves as both an entertaining read and an insightful exploration of the human condition making it a must read for enthusiasts of classic literature
