An Offer We Can't Refuse George De Stefano,2007-01-23 The Mafia has maintained an enduring hold on the American cultural imagination even as it continues to wrongly color our real life perception of Italian Americans Journalist and cultural critic De Stefano takes a look at the origins and prevalence of the Mafia mythos in America Beginning with a consideration of Italian emigration in the early twentieth century and the fear and prejudice among both Americans and Italians that informed our earliest conception of what was the largest immigrant group to enter the United States De Stefano explores how these impressions laid the groundwork for the images so familiar to us today and uses them to illuminate and explore the variety and allure of Mafia stories At the same time he addresses the lingering power of the goodfella clich which makes it all but impossible to green light a project about the Italian American experience not set in gangland From publisher description

Trash Can Days Teddy Steinkellner,2013-08-20 Jake Schwartz is not looking forward to middle school Having his older sister Hannah there is no consolation The only saving grace is that Danny Uribe his lifelong best friend will be by his side Or will he The two barely have any classes together and since Danny s summer growth spurt there s been a growing distance between them Meanwhile Hannah has her own problems being Queen Bee is not easy The other girls are out for blood and boys are so exhausting Danny surprises her with his maturity and kissing skills but she knows Jake would be devastated if he knew about their relationship Dorothy Wu couldn t care less about school politics But when she joins the writing club she meets a young lad with heroic potential In the course of a year at San Paulo Junior High these four lives will intersect in unique and hilarious ways Friendships will grow and change Reputations will transform And maybe one of them will become a man

Goomba in Montana Bret Burquest,2000-09-20 At age twenty Buck Wheeler enjoys a placid existence running a pool hall in Twin Buttes Montana Then his old girlfriend hooks up with the

town bully a formidable stranger begins to romance his mother and he falls in love with the sister of a psychopath turning his life into a sea of turmoil When he discovers the true identity of his mothers suitor his life becomes a struggle for survival in a dark passage into manhood

Original Love J.J. Murray,2008-09-01 Peter Underhill was smitten by Ebony Mills the moment she joined his street hockey team a coal eyed tomboy goddess as dark and dazzling as he was pale and awkward That she returned his affection was a boy s dream come true But despite a bond that grew into their teens Peter s intolerant father and Ebony s meddling family finally forced them apart That was twenty years ago and Peter has been trying to find his way back to his first and true love ever since When she was a kid Ebony feared no one not even Peter s violent bigoted father Back then Ebony said she d love Peter forever and she meant it It didn t matter that they couldn t share milestones like the high school prom together what they had was the real thing and nobody could take it away or could they Even now Ebony doesn t quite understand how she and Peter disappeared from each other s lives Has the hatred that surrounded them finally won Ebony doesn t want to believe that but she knows one thing if she ever has the chance to reunite with Peter she ll never let him go Because you don t throw away something that only comes along once in a lifetime You don t mess with original love

Reality: Truth, Words and Love Vincent M. Riccardi,2022-08-11 The m lrange of poetry shared here develops internal connections respecting the elements of its title and the lifelong sensibilities of the author The title of the collection revolves around how we as modern persons realize Reality as a function of Truth as revealed through the innuendo of Words and the existentialism of Love Reality Truth Words Love These elements are manifest in the most mundane and commonplace facts and phenomena through to the most arcane and erudite ideas and emotions We usually separate erudite and mundane on the one hand and facts and emotions on the other But here is an effort to mix the two extremes with each other and the in between Not included in the title is something embedded some might say implicit in the four words just discussed Time That is Reality Truth Words and Love all require or in some way depend on Time for their respective intensions and extensions as Ludwig Wittgenstein might say Time is an element of Reality and that fact is literally in the many of the poems shared here The reader should be sensitive both to the unspoken allusions to Time as well as to the spoken ones e g moments first etc Juxtaposing these elements and the circumstances of their manifestations hopefully provides a new perspective on the Life that is the Reality for us in the 21st Century

21 Games to Love For The Atari VCS John Harris,2018-04-15 The Atari Video Computer System aka VCS later renamed the Atari 2600 after its model number CX2600 was the first popular programmable home video game console The VCS wasn t the first in any area except one it was the first really popular programmable home video game console Sales of the VCS were gigantic Atari would ultimately move 30 million units and the machine remained in production until 1992 It lasted a venerable 15 years and survived long enough to compete against the SNES And it did all this with a hardware set that could at best be described as ludicrous This is generally a book of reviews of interesting Atari VCS games but there are some important caveats For inclusion the most playable version of the game has to be for the VCS

For example the VCS port of Missile Command is a very good game But the arcade version is much better it has three bases instead of one adding a touch more strategy to it it has missile matchbooks that let you use one explosion to touch off others there are more and more varied types of enemies and it s generally just a better game overall You re about as likely to be able to play the VCS or Arcade versions these days so why not play the arcade one This also rules out a host of arcade conversions In a few cases the stars of programmer skill and hardware capability combine in such a way that the version on the lowly Atari VCS a machine with 128 bytes of RAM and ludicrously primitive display capability is actually a competitive version and sometimes it is superior in one or more ways Two games this is true for is Asteroids whose game variations provide interesting ways to play the arcade doesn t try to match and Space Invaders the two player co op versions of which make it actually more interesting than the arcade This is a book of such games Reasons to scour eBay for tapes or else drag out an emulator Gameplay doesn t go obsolete but some games do become ah less accessible over time Here are 21 that don t
