Bureau of Reclamation United States. Congress. House. Committee on Appropriations. Subcommittee on Energy and Water Development,1998 L. Frank Baum: Creator of Oz Katharine M. Rogers,2007-04-01 Since it was first introduced over a hundred years ago in *The Wonderful Wizard of Oz* L Frank Baum s world of Oz has become one of the most enduring and beloved creations in children s literature It has influenced numerous prominent writers and intellectuals and become a lasting part of the culture itself L Frank Baum was born in 1856 in upstate New York the seventh child of a very successful barrel maker and later oil producer However Baum s own career path was a rocky one Beginning as an actor Baum tried working as a traveling salesman the editor of a small town newspaper and the publisher of a trade journal on retailing failing to distinguish himself in any occupation His careers either failed to provide a sufficient living for his beloved wife Maud and their children or were so exhausting as to be debilitating In the 1890 s L Frank Baum took the advice of his mother in law suffragist leader Matilda Gage and turned his attention to trying to sell the stories he d been telling to his sons and their friends After a few children s books published with varying success he published *The Wonderful Wizard of Oz* in 1900 and it quickly became a bestseller and has remained so ever since In this first full length adult biography of Baum Rogers discusses some of the aspects that made his work unique and has likely contributed to Oz s long lasting appeal including Baum s early support of feminism and how it was reflected in his characters his interest in Theosophy and how it took form in his books and the celebration in his stories of traditional American values Grounding his imaginative creations particularly in his fourteen Oz books in the reality of his day Katharine M Rogers explores the fascinating life and influences of America s greatest writer for children *The City is an Ecosystem* Deborah Mutnick,Margaret Cuonzo,Carole Griffiths,Timothy Leslie,Jay M.
