An essential source of reference for researchers trying to uncover the theatrical experience of one of their forebears How can you find out about the lives of ancestors who were involved in the world of theater on stage and on film in the music halls and traveling shows in the circus and in all sorts of other forms of public performance Katharine Cockin's handbook provides a fascinating introduction for readers searching for information about ancestors who had clearly defined roles in the world of the theater and performance as well as those who left only a few tantalizing clues behind The wider history of public performance is outlined from its earliest origins in church rituals and mystery plays through periods of censorship driven by campaigns on moral and religious grounds up to the modern world of stage and screen Case studies which are a special feature of the book demonstrate how the relevant records can be identified and interpreted and they prove how much revealing information they contain Information on relevant archives books museums and websites make this an essential guide for anyone who is keen to explore the subject *Performance Making and the Archive* Ashutosh Potdar, Sharmistha Saha, 2022-11-30 This book investigates theories and practices shaped by a performance's relationship to the archive The contributions in the volume examine how the changing nature of performance practices has made it imperative to understand how the archive and archival practices could add to the performance work They explore a variety of themes including artistic engagement with the archive in both conceptual and material terms physical virtual and digital forms publicly and privately collected oral written and digital ways or organized and unorganized collections Finally the volume examines how archives are modelled on existing structure and the ways in which they can be brought into discourses and practices of performance making through engagement and contestation A novel approach to performance theory this volume will be of great interest to scholars and researchers of performance studies media and culture studies studies of technology and art as also literature and literary criticism **Experimental Theatre** James Roose-Evans, 2013-10-08 It is a pleasure to read Well written free of cant

impressively wide ranging The book is really an introduction to the avant garde John Lahr Capter L'essence Du Spectacle

Nicole Leclercq, Kristy Davis, Laurent Rossion, Alan R. Jones, 2010 Le d fi du patrimoine immat riel est de capturer l essence du spectacle l id e de capture a cela d int ressant qu elle suppose que les professionnels impliqu s dans la SIBMAS soient comme des chasseurs sur la piste de toutes sortes de fa ons afin de coincer et de recueillir un petit quelque chose d ph m re qui en vaut la peine et qui nous en apprend sur nous m mes et sur notre monde Certains chasseurs se servent des bases de donn es d autres des crits ou des images mais tous partagent un m me objectif ne pas laisser se perdre un moment sp cial

magique que seule la vie du spectacle peut donner The challenge of intangible heritage is to capture the essence of performance the idea of capturing is interesting as it implies that the professionals involved in SIBMAS are on a hunt a hunt in a number of different ways to pin down and preserve something ephemeral and something worth preserving something that tells us more about ourselves and the world we live in Some hunters use the database some the written word some the camera but all share a common goal not to let go of a particular moment a magic moment that only the live event can create

The Poetics of Difference and Displacement Min Tian,2008-06-01 Intercultural theater is a prominent phenomena of twentieth century international theater This books views intercultural theatre as a process of displacement and re placement of various cultural and theatrical forces a process which the author describes as the poetics of displacement *German Scholars in Exile* Axel Fair-Schulz,Mario Kessler,2011-05-26 German Scholars in Exile deals with intellectuals who fled Nazi Germany and found refuge in either the United States or in American Services in Great Britain and post WWII Germany The volume focuses on scholars who were outside the commonly known Max Horkheimer Hannah Arendt circles who are less well known but not less important Their experiences ranged from an outstanding career at an Ivy League university to a return to the German Democratic Republic and a position as an economic advisor to East Berlin s party leadership None had actual political power but many asserted some degree of influence Their intellectual legacies can still be seen in today s political culture [Intersectional Encounters in the Nineteenth-Century Archive](#) Rachel Bryant Davies,Erin

Johnson-Williams,2022-08-11 Rachel Bryant Davies and Erin Johnson Williams lead a cast of renowned scholars to initiate an interdisciplinary conversation about the mechanisms of power that have shaped the nineteenth century archive to ask What is a nineteenth century archive broadly defined This landmark collection of essays will broach critical and topical questions about how the complex discourses of power involved in constructions of the nineteenth century archive have impacted and continue to impact constructions of knowledge across disciplinary boundaries and beyond academic confines The essays written from a range of disciplinary perspectives grapple with urgent problems of how to deal with potentially sensitive nineteenth century archival items both within academic scholarship and in present day public facing institutions which often reflect erotic colonial and imperial racist sexist violent or elitist ideologies Each contribution grapples with these questions from a range of perspectives Musicology Classics English History Visual Culture and Museums and Archives The result is far reaching historical excavation of archival experiences **Architectural Excursions** Donald L.
