Gordon Lightfoot Don Quixote:

Skywalks R. Eli Paul, 2023-03 In 1981 the suspended walkways or skywalks in Kansas City's Hyatt Regency hotel fell and killed 114 people. It was the deadliest building collapse in the United States until the fall of New York's Twin Towers on 9/11. In Skywalks R. Eli Paul follows the actions of attorney Robert Gordon, an insider to the bitter litigation that followed. Representing the plaintiffs in a class action lawsuit against those who designed, built, inspected, owned, and managed the hotel, Gordon was tenacious in uncovering damaging facts. He wanted his findings presented before a jury where his legal team would assign blame from underlings to corporate higher ups while securing a massive judgment in his clients favor. But when the case was settled out from under Gordon, he turned to another medium to get the truth out: a quixotic book project that consumed the rest of his life. For a decade the irascible attorney-turned-writer churned through a succession of high-powered literary agents, talented ghost writers, and New York trade publishers. Gordon's resistance to collaboration and compromise resulted in a controversial but unpublishable manuscript, House of Cards, finished long after the public's interest had waned. His conclusions still explosive but never receiving their proper attention, laid the blame for the disaster largely at the feet of the hotel's owner and Kansas City's most visible and powerful corporation, Hallmark Cards Inc. Gordon gave up his lucrative law practice and lived the rest of his life as a virtual recluse in his mansion in Mission Hills, Kansas. David had fought Goliath, and to his despair, Goliath had won. Gordon died in 2008 without ever seeing his book published or the full truth told. Skywalks is a long overdue corrective built on a foundation of untapped historical materials Gordon compiled as well as his own unpublished writings. Gordon Lightfoot: Gord's Gold Gordon Lightfoot, 1994-09-01 His best songs in a 24-song collection. Includes Carefree Highway, Early Mornin' Rain, If You Could Read My Mind, Sundown, and many more.

The Tanglewood Terror Kurtis Scaletta, 2011-09-13 When 13-year-old Eric Parrish comes across glowing mushrooms in the woods behind his house, he's sure there's a scientific explanation. But when they start encroaching on the town, covering the football field and popping up from beneath the floorboards, Eric knows something's seriously wrong. Not that much else is going right: his parents are fighting, his little brother Brian is a little pill, and he's had a falling out with his football team over a pig. Then a runaway girl from a nearby boarding school warns Eric that the fungus could portend the town's doom and leave it in rubble, just like the village that inexplicably disappeared in the exact same spot over 200 years ago. Eric, Brian, and Mandy set out to solve a very old mystery and save the town of Tanglewood. *Heroic Leadership* Scott T. Allison, George R. Goethals, 2024-12-30 *Heroic Leadership* is a celebration of our greatest heroes from well-known legends to the legions of unsung heroes who transform our world quietly behind the scenes. Now in its second edition, this book offers a compelling conceptual framework for understanding heroism and heroic leadership, drawing from theories of great leadership and heroic action. With over 50 revised heroic leader profiles and 30 new profiles of individuals that have transformed the world, the book explores the many counterintuitive ways that heroes lead, shape, and mobilize their followers. The authors offer a

definition of heroic leadership that explains how people easily misconstrue both leadership and heroism and provide an innovative take on why people are drawn to heroic leaders and why this can be considered a fatal attraction Incorporating the latest theory and research the authors unpack the following ten categories of heroism trending heroes transitory heroes transparent heroes transitional heroes tragic heroes transposed heroes transitional heroes traditional heroes transforming heroes and transcendent heroes From within these categories the authors identify 100 exceptional individuals describing their lives and how they exemplify the characteristics of the category they have been assigned Suggesting that our most cherished heroes make for our most transforming leaders this is a vital resource for students and scholars of leadership studies organizational behaviour and social psychology Presenting valuable insights into the lives of both historical and modern leaders the book is also a fascinating read for casual readers

The Fire Within
 Ronald Rolheiser, 2021-03-16 For most religious people the words God and sex never go together God is conceived of as holy pure sexless and as morally above the raw desires that so powerfully beset us Sex on the other hand is conceived of as earthy and unholy something we must snatch and not without guilt from the gods Christianity has struggled mightily with sex so too have most other religions And yet when we look at sexual desire and ask where it comes from there can be only one answer It comes from God This is a book on desire its experience its origins its meaning and how it might be generatively channeled Sexuality is inside us to help lure us back to God but dealing with this fire inside us is a lifelong struggle Ron Rolheiser sheds light on this mystery and the journey it takes us on in these tantalizing fragments that help give us permission to feel what
