Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access

through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease *Luke 1-24 MacArthur New Testament Commentary Set* John

James M. Gray,2019-05-14 Whoever attempts it will find it far easier to write a long commentary than a brief one said a famous commentator This we believe The Christian Workers Commentary represents the labor of eight years in the use of such spare hours as could be found in an otherwise well filled life but had the plan permitted its expansion into a series of volumes instead of one it might have been completed earlier *A Bibliography of Theology* William Swan

The Hermeneutics of Social Identity in Luke-Acts Nickolas A. Fox,2021-03-15 Luke Acts presents a vision of the kingdom of God and the early church in a program of decentralization that is a movement away from the centralized power structures of Judaism Decentralization of the temple land purity laws and even the people that seem to possess the power early in Acts i e Peter and the other apostles makes room for a move of radical inclusion Luke demonstrates the Holy Spirit as the prime initiator of outward expansion of the kingdom of God radically including and welcoming God fearers gentiles an Ethiopian eunuch and more Fox argues that Luke Acts is purposed to create social identity in God fearing readers using the rhetorical tools of the first century to communicate prescribed beliefs and norms promise and fulfillment and prototypes and exemplars Each of these elements is examined and traced through Luke s two volume work **The British Quarterly**

Review Henry Allon,1870 **The Justice Calling** Bethany Hanke Hoang,Kristen Deede Johnson,2017-03-14 Christianity Today Book Award Winner Justice requires perseverance a deep perseverance we can t muster on our own The world s needs are staggering and even the most passion driven reactions strategies and good intentions can falter But we serve a God who never falters who sees the needs hears the cries and gives strength through Jesus Christ and the Holy Spirit to his people

Offering a comprehensive biblical theology of justice drawn from the whole story of Scripture this book invites us to know more intimately the God who loves justice and calls us to give our lives to seek the flourishing of others The authors explore stories of injustice around the globe today and spur Christians to root their passion for justice in the persevering hope of Christ They also offer practices that can further form us into people who join God s work of setting things right in the world Now in paper with an added reader s guide **The Preacher and Homiletic Monthly** ,1880 *Jesus' Exposition of the Old Testament in Luke's Gospel* Charles Kimball,1994-03-01 This work presents an inductive exegetical analysis of Jesus exegetical methods and expositions in Luke s Gospel in light of first century Jewish exegetical methods via an examination of the eight Lukan pericopes in which Jesus expounds explicit Old Testament quotations This study offers the following conclusions In Luke s Gospel Jesus expounded Scripture as the basis for understanding his person and ministry teaching his followers and inquirers and debating his religious opponents He employed many of the exegetical methods of ancient Judaism Yet he frequently offered interpretations of Scripture that were radically different from other Jewish teachers because of his superior understanding of Scripture and his application of Scripture to himself In turn he influenced the early church s biblical expositions in considerable measure Jesus expounded Scripture for Christological and doctrinal lessons In his Christological expositions he made an eschatological application of certain biblical texts to himself claiming to be the fulfillment of Old testament messianic prophecies In his doctrinal expositions he corrected traditional Jewish interpretation claiming a superior exegesis of Scripture The Christological expositions employed pesher fulfillment motifs and several midrashic techniques to show that the *The Chinese Recorder and Missionary Journal* ,1911 **The Preacher's Complete Homiletical Commentary on the Old Testament: Ruth** ,1892
