## **Gospels Their Origin Their Growth:**

The Gospels Frederick Clifton Grant, 1983      **The Composition of John's Gospel** David E. Orton, 2024-01-08 Readers of the Fourth Gospel have always been moved to the use of superlatives in its exposition The most fascinating of the Gospels in so many ways has been the subject of enquiry by many of the best minds in biblical scholarship in the past decades and this is amply illustrated in the pages of *Novum Testamentum* This selection of essays on John presents a tapestry of critical insights into the origins and composition of the Gospel from the hands of many of the world's leading Johannine scholars writing since the Second World War A number of these articles have been seminal for a generation of scholarship in the field Taken together they constitute a treasury of insights and a representative grounding in the critical study of the Gospel since Bultmann

**HOW RELIABLE ARE THE GOSPELS?** F. David Farnell, 2018-11-13 Was the Gospel of Mark Written First Were the Gospel Writers Plagiarists What is the Q Document What about Document Q Critical Bible scholars have assumed that Matthew and Luke used the book of Mark to compile their Gospels and that they consulted to supplementary source to document the scholars call Q from the German *Quelle* or source From the close of the first century AD to the 18th century the reliability of the Gospels was never really brought into question However once we have called the period of enlightenment especially from the 19th century onward some critical Bible scholars viewed the Gospels not as the inspired inerrant Word of God but rather as the word of man and a jumbled word at that In addition they determined that the Gospels were not written by Matthew Mark Luke and John saying the Gospels were written after the apostles denying that the writers of the Gospels had any firsthand knowledge of Jesus Therefore for these Bible critics such men were unable to offer a record of reliable history Moreover these critical Bible scholars came to the conclusion that the similarities in structure and content in the synoptic similar view Gospels Matthew Mark and Luke suggests that the evangelists copied extensively from one other Further the critical Bible scholars have rejected that the miracles of Jesus and his resurrection have occurred as recorded in the Gospels Lastly some have even gone so far as to reject the historicity of Jesus himself

**The Oxford Handbook of the Synoptic Gospels** Stephen P. Ahearne-Kroll, 2023 The Oxford Handbook of the Synoptic Gospels presents essays that push the field beyond the Synoptic Problem and theological themes that ignore the particularities of each Gospel The first section explores some of the traditional approaches of literary dependence and engages with alternative ways to understand Synoptic relations while the second section treats a variety of historical literary and cultural phenomena important to the study of these Gospels

The Gospels, 1939      *The Turning Point in the Gospel of Mark* Gregg S Morrison, 2015-02-26 Based on linguistic and thematic links in the narrative *The Turning Point in the Gospel of Mark* argues that the twin pericopae of Peter's confession 8:27-38 and the Transfiguration 9:2-13 together function as the turning point of the Gospel and serve in a Janus like manner enabling the reader to see the author's main focus the identity of Jesus and the significance of that reality for his disciples Peter's confession of Jesus as Messiah faces backward toward the Prologue 1:1-13 and

functions as a mid course conclusion The declaration by God on the mountain faces forward and foreshadows the end course conclusion 14 61 62 15 39 Son of God Jesus in response teaches that the Son of Man must suffer and die before being raised from the dead 8 31 Christologically the images of Messiah Son of Man and Son of God converge and present Jesus the crucified as king ushering in the kingdom of God in power 9 1 acting as the key swivel between the twin pericopae When one is confronted with this Jesus though there remains something elusive about him and the kingdom of God in the narrative the only wise decision after calculating the costs 8 34 38 is to follow

**The Gospel of Jesus** John Davidson, 2005 An uplifting study of Jesus his times and his teaching Identity Formation and the Gospel of Matthew Tekalign Duguma Negewo, 2024-03-13 Why does the author of the Gospel of Matthew introduce non Jewish characters into his narrative Tekalign Duguma Negewo answers this question on the assumption that the gospel had an identity forming function for his community Studies in the Life of Christ Rory C. Foster, Rupert Clinton Foster, 1995 This work offers a comprehensive study in the life of Christ from book preface

**According to Mark** Philip Carrington, 2011-06-30 This 1960 commentary attempts to follow the story and message of the Gospel in all its aspects **The Living Church**, 1957 Matthew R. T. France, 2004-10-08 This work by R T France is not intended to be a guide to all that has been written in recent years about Matthew Rather it is an extended introduction to Matthew designed for a non specialist readership France concentrates on those areas he finds most interesting and important for the appreciation of Matthew but he does touch on most major areas of discussion in Matthean studies Among other things France covers Matthew s place in the life of the church the order of the Gospels Matthew in the post apostolic church reasons for Matthew s preeminence Matthew in the modern church and literary relationships and the order of composition of the Gospels

**according to mark**, *Matthew* Warren Carter, 1968-02-01 For ten years the well received first edition of this introduction offered readers a way to look at scriptural texts that combines historical narrative and contemporary interests Carter explores Matthew by approaching it from the perspective of the authorial audience by identifying with and reading along with the audience imagined by the author Now an updated second edition is available as part of a series focusing on each of the gospel writers as storyteller interpreter and evangelist This edition preserves the essential identity of the original material while adding new insights from Carter s more recent readings of Matthew s gospel in relation to the Roman Imperial world Four of the seventeen chapters have been significantly revised and most have had minor changes There are also new endnotes directing readers to Carter s more recent published work on Matthew Scholars and pastors will use the full bibliography and appendix on redaction and narrative approaches while lay readers will appreciate the clear and straightforward text

**Matthew** D. A. Carson, 2017-03-07 Continuing a Gold Medallion Award winning legacy this completely revised edition of The Expositor s Bible Commentary series puts world class biblical scholarship in your hands Based on the original twelve volume set that has become a staple in college and seminary libraries and pastors studies worldwide this new thirteen volume edition marshals

the most current evangelical scholarship and resources The thoroughly revised features consist of Comprehensive introductions Short and precise bibliographies Detailed outlines Insightful expositions of passages and verses Overviews of sections of Scripture to illuminate the big picture Occasional reflections to give more detail on important issues Notes on textual questions and special problems placed close to the texts in question Transliterations and translations of Hebrew and Greek words enabling readers to understand even the more technical notes A balanced and respectful approach toward marked differences of opinion

*The Gospel of Thomas and Christian Origins* Stephen J. Patterson, 2013-07-25 The essays collected in *The Gospel of Thomas and Christian Origins* offer a series new chapters in the history of Christianity's first century Stephen J Patterson whose work on the Gospel of Thomas has circulated widely for more than two decades argues that taking this new source seriously will require rethinking a number of basic issues including the assumed apocalyptic origins of early Christian faith the supposed centrality of Jesus death and resurrection and the role of Platonism in formulation of both orthodox and heterodox Christian theology

**The Origins of the Gospel According to St. Matthew** George Dunbar Kilpatrick, 2007 [Speaking of Jesus](#) Willem S. Vorster, 2014-04-09 This volume presents a selection of essays by the late Willem Vorster one of the most prominent New Testament scholars to have emerged from South Africa An introductory essay by the editor explains Vorster's contribution to New Testament scholarship in general and to South African New Testament scholarship in particular Vorster's essays are grouped primarily under the topics Language and Linguistics Reader Response Narratology Historical Paradigms and The Historical Jesus In addition to his work on method Vorster was a well known Markan scholar and this is reflected in the fact that more than half of his methodological essays are concerned with that Gospel The book includes a curriculum vitae a full bibliography and indexes

**Arguments from Order in Synoptic Source Criticism** David J. Neville, 1994 This monograph provides a comprehensive history of the various arguments focusing on the order of pericopes in the Gospels to ascertain their original sequence of composition Editor's Foreward
