Gotama Buddha:

Gotama Buddha Kenneth James Saunders, 1920 *Gotama Buddha* Kenneth James Saunders, 1922 Gautama Buddha Vishvapani Blomfield, 2011-12-22 There are many accounts of the Buddha's life that mix legend and history This compelling new biography discriminates between fact and fiction to reveal Gautama the remarkable human being behind the legends and shed new light on his teachings Plunging us into the noise smells and jostling streets of Gautama's world Vishvapani Blomfield brings the Buddha to life as a passionate and determined individual a strikingly modern figure who rejected contemporary beliefs and found his own answers by mastering his mind Even after he gained Enlightenment and became the Buddha the Awakened One Gautama experienced struggles as well as triumphs as he trod India's dusty paths Vishvapani shows how he sought to establish a community of practitioners amid his society's divided culture and perilous politics and how the ideas that became the Buddhist teachings grew from Gautama's efforts to address the needs and beliefs of his listeners Drawing on years of meticulous research into original sources Gautama Buddha takes us within touching distance of one of history's greatest figures

Gotama Buddha Kenneth J. Saunders, 2015-06-02 Excerpt from *Gotama Buddha* A Biography Based on the Canonical Books of the Theravadin The style carries the thought with limpid ease and at times ripples with genial humor Attention is purposely focused upon the life of Gotama with only incidental references to the Teaching and the Order but fortunately these subjects are fully set forth in Mr Saunderson's earlier studies *The Story of Buddhism* and *Buddhist Ideals* as well as in many standard works Buddhism has well nigh died out in Gotama's own country and the forms which prevail in Tibet China Korea and Japan would hardly be recognized by the founder himself Yet his example and teaching however distorted are the nucleus around which all the later encrustations have formed Just as the Christian Church has dug down through the layers of scholastic dialectic and replanted its pillars on Christ so it is not inconceivable that even Northern Buddhism may rediscover its founder and cry Back to Gotama Buddha It was a Japanese disciple of Gotama who called him a king of the spiritual in the mask of beggary and it is to be hoped that this volume will find readers also in Japan for although there are several lives of Buddha written in Japanese no one of them so happily as this combines a popular presentation with the results of recent historical criticism Although Mr Saunders discloses warm admiration for Gotama's character as a faithful friend he points out his shortcomings and his fatal inability to rise above the limitations of his age It would seem that Gotama himself realized to some degree his own limitations Like other prophetic souls he looked for the coming of a Buddha greater than himself who should be called Maitri Mr Saunders's fine poem *St Francis and Gotama* shows true insight when it represents Gotama as joyfully recognizing that in Christ his highest hopes regarding Maitri had been fully realized Mr Saunders might well have called his work *The Gotama of History* for it is not an unworthy companion to Doctor Glover's notable volume on *One greater than Gotama* Christian readers will not be surprised to find that Mr Saunders's exhaustive and appreciative study of Gotama seems to have heightened his supreme devotion to Jesus Christ

Gotama The Buddha Dr. Dhananjay Chavan, A book not only for every follower of the Buddha around the world but also for every person who wants to understand the Buddha This book is a study with a heart but one where reason is allowed to be free In any study of the historical Buddha there are two major obstacles to confront Firstly there are the systematic prejudices that developed against him through the centuries in his own country Secondly some of the fantastic myths associated with him can give pause to a modern man of science As this book shows however these hurdles can be readily surmounted This is done by responding to the Buddha s famous exhortation to come and see Rather than accept the Buddha blindly the book invites readers to simply open their hearts and minds enough to examine him in a fair manner Though the author uses the Tipitaka as his primary authority he does not tie himself to any particular tradition The Buddha s universal teaching came out of the Indian subcontinent s agrarian culture He was firmly rooted in this world and not in any heavenly realms The book takes the reader on a journey into the life and the teachings of this son of Earth an extraordinary human being who offered his fellow humans a timeless road map to a happy life The book also raises questions that will hopefully help to foster healthy dialogue in the true spirit in which the Buddha wanted others to look at and follow his teaching *The Living Thoughts of Gotama* Ananda Kentish Coomaraswamy,Isaline Blew Horner,1948 **Gotama Buddha; a Biography** Kenneth James Saunders,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1920 edition Excerpt CHAPTER VII GOTAMA AS TEACHER The gift of the Teaching excels all other gifts Dhammapada 354 We have seen that Gotama claimed to be King of the Dhamma and it is as a teacher of morals that he must be finally judged It is so that he viewed his own mission like Socrates he was a physician of the soul and anything that did not tend to moral health he ignored In this sphere he claims to teach as one who is himself without fault and it was largely his moral prestige which won for him so ready a hearing This claim explicitly made in many passages such as those quoted above 1 is implied in several of his sayings Does this man himself a slave to desire he asks concerning a skeptical monk claim to excel the teaching of the Master 2 and that teaching was almost exclusively concerned with the moral life and its reward Gotama was not a social reformer except in the secondary sense which is true of all religious and moral teachers he is said in fact to have warned some of his monks to avoid the example of certain heretics who were acting also as doctors 8 Their task was to administer a moral tonic let them see to it Nor was he a teacher of philosophy again and again he insists that he has no concern with metaphysics and
