2. **Shared experience**, where the students and teacher have a rich conversation about the writing topic and/or writing stimulus, key vocabulary and the possible text types that could be written (approximately 5 minutes).
3. **Independent writing and sharing**, where students write as much as they can in the allocated time. The teacher provides timely feedback and scaffolds key writing skills. Students then share what they have written with the small group or the rest of the class (approximately 10 minutes)

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
