and those leading up to her sensational trial resulting in her conveyance to death row in Dallas where she awaits death through lethal injection The evidence against Darlie was damaging and in retrospect her defending counsel had little hope for her acquittal But had the prosecutor revealed all of the evidence some people feel Darlie would have been a free woman But recent findings in her case have cast a doubt over her guilt at least over the legalities that brought her to death row And had the prosecutor revealed all of the evidence some people feel Darlie would have been a free woman Therefore the final chapter in this book is dedicated to the most recent controversy that may result in a new trial for Darlie Lynn Routier And to finally prove that Darlie Lynn Routier was a victim of a Texas Style Witch Hunt      *Guilty Till Proven Innocent* Penny White, 2017-08-18 As British ex pats author Penny White and her husband Harry had been living the Florida dream for several years until through no fault of their own they found themselves on the wrong side of the law They suffered wrongful arrest and incarceration If found guilty they each faced a hundred and thirty years in prison a situation based on lies told by a former business partner and his aggressive attorney In *Guilty Till Proven Innocent* White shares the story of how in a dramatic TV style raid on their Florida home by armed masked police their lives changed forever White narrates their experience including spending time in jail and fighting the charges lobbied against them This true story calls into question the American courts and White asks for a further review into a justice system that fails to uphold the tenets of liberty freedom and justice for all not just for those who can afford good but expensive attorneys      The Justice Motive Christina Fletcher, 2020-12-18 Danielle Dani Bynum has had more than her fair share of involvement in the criminal justice system She has been on all sides of the spectrum including being a defendant on trial for murder and a few years later representing her clients for murder Dani has now crossed the line and works as an assistant prosecuting attorney in St Louis City Her first couple of years on the job was a breeze until her supervisor the Circuit Attorney gave her two high profile cases that changed her life forever Brandi Evans is accused of murdering her husband Pastor Lamar Evans One of St Louis's former top defense attorneys is the prosecutor on her case and she knows she'll need someone willing and capable of going to war against Dani Bynum to fight her case Brandi is desperate to prove her innocence but with all the evidence pointing towards her and a possible justice motive she's in what she believes is a hopeless fight for her life Kenzo Garrett is charged with committing the heinous crime of abuse against his son He's had a few run ins with the law in the past including a child endangerment charge for distributing narcotics in front of a minor He also has a conviction of child neglect for failing to report the abuse of his son by his son's mother that he wasn't aware of After being home for a year and completing his parole he's faced with trouble again He's accused of harming his son once dropping him off after a weekend visit The CPS worker and prosecutor make his life hell and have already decided that because of his criminal record he's guilty until otherwise proven innocent Dani believed when she became a prosecutor she would be making a difference but discovers she bit off more than she can chew She gets caught up in a web of lies deceit and a scandal that has her convicting individuals she's not so sure are guilty What

will the outcome be for Brandi and Kenzo Are they guilty or innocent      **The Advocate** ,2003-08-19 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States
