To answer that question, an analysis is made of the provisions on national judicial proceedings contained in the Refugee Convention, the International Covenant on Civil and Political Rights (ICCPR), the UN Convention against Torture (CAT), the European Convention on Human Rights (ECHR), and the EU Charter of Fundamental Rights. In addition, the assessment as performed by the UN Human Rights Committee, the UN Committee against Torture, and the European Court of Human Rights in cases concerning the expulsion of asylum seekers is analysed.

Times Without Number John Brunner, 2011-09-29

If the past is tampered with, the present might be totally transformed. So the whole fabric of reality depends on the watchful efforts of the Society of Time. Don Miguel Navarro is a junior officer in this force, dedicated to defending the Spanish Empire and the mother church from the results of meddling in history by time travellers. But he begins to wonder just how dedicated the Society really is when he has to deal with a case of corruption involving fellow officers. After he has to rescue the entire court from death at the hands of Amazon warriors brought through time, his greatest trial becomes unavoidable. Facing a threat to the most vulnerable event in his world's history, can the young Don prevent catastrophe? Or will the glorious triumph of the Spanish Armada never have occurred?
